**The Diverse Facets of Corruption in Sierra Leone** Emmanuel Saffa Abdulai, Ina Kubbe, 2024-07-15 This edited volume delves into Sierra Leone's complex post conflict landscape. It posits that the nation's path to peace and stability hinges on robust anticorruption measures. The chapters explore Sierra Leoneans' unique perception of corruption reflecting its political, economic, legal, and socio-cultural dimensions. Moving away from mere theoretical abstraction, the book pulls together fascinating practical discussions on the success and challenges of anti-corruption tools used in Sierra Leone. Approaches used to explain corruption in this postwar fragile democratic country include issues like non-conviction based asset recovery and how it works, unexplained wealth, exposes lifestyle offences, accountability of the judiciary, and how judicial institutions can become a predator, the role of the media in the fight against corruption, the part of culture and history in engraining corruption, patrimonialism as an explanation of corruption, and social norms and sociological exposition to explain corruption.

However, Mr. Eze not only seemed unwilling to bestow it but hell-bent in making life unbearable for his acclaimed son. Kelvin thought it would be best to find his true family rather than endure the torture of being the unwanted child. He realised that his quest for recognition was unlikely to succeed, so he set his eyes on freedom. In the meantime, Kelvin expected that a good academic performance would change his luck and put him right with Mr. Eze or at least boost his confidence in his abilities. With all his attention on his studies, competing for the best grades against the leading brains in his class, especially Christian, an indomitable rival, he would not let school romance get in the way of his goal. But slowly and steadily, Chioma gained his trust and won him over. He would have to make a decision between holding on to his moral principle or satisfying his human desire for friendship. New Home, New Identity. Marginalised and decimated, the Biafran people were forced to go to war and secede from Nigeria. But decades after losing the war and embracing the Nigerian identity, they are still not treated as equal citizens in their home country. As a new wave of terrorism sweeps the northern parts of the country, the Biafran people, predominantly Igbo, are again decimated as they have been for decades in every crisis, and this led to renewed discussions about their independence. For Biafra, the fight for equality was over, and their Sovereignty was not negotiable. For Kelvin, it wasn't very different, and so his quest for truth and independence

must begin His compulsory holiday in Igbo land would expose him to the truth that might have indirectly caused him to abandon his academic pursuit Perhaps it was just an excuse to free himself from the clutch of Mr Eze and begin his quest for the truth about his identity
