## **Just Enough God:**

**The Blessing of "Just Enough"** Earnest Johnson, 2021-04-27 Many of our country's inner cities and even rural communities are inundated with small churches. For the most part, these churches believe that their call to ministry is every bit as purposeful and meaningful as those that are much larger. Serving in small ministries can sometimes feel daunting and exhaustive, especially when one's focus is obscured by size or the lack of growth. The false narrative associated with small churches is that small numbers is the result of small vision. Nothing can be further from the truth. Many great evangelists have led thousands to Christ and have never pastored a church. The value and worth in any ministry should not be placed on its size but rather on evangelism. We do not have to create new formulas or new categories to simulate church growth. Christ Himself is enough. God's greatest blessings in the church are often overlooked because of the perception of slow growth or maybe no growth at all. For many small churches, this reality has become a handicap. The difficulty, however, is the inability to see God in the midst of those difficulties. In church settings, God shows us many ways to navigate through the confines and constraints of spiritual impediments, and in so doing, we are able to benefit from the Blessing of Just Enough. MAKING

MONEY SENSE: GOD'S TRUTH David Wong, 2011-11-02 God's Promise of Wealth. If you fully obey the LORD your God and carefully follow all his commands, I give you today the LORD your God will set you high above all the nations on earth. All these blessings will come upon you and accompany you if you obey the LORD your God. The LORD will send a blessing on your barns and on everything you put your hand to. The LORD your God will bless you in the land he is giving you.

Deuteronomy 28:1-28 **The Wilderness Experience** Idris Kolade Oyinlade, 2016-05-25 A wilderness is any period between having a vision and the fulfillment of that vision; therefore, it is a preparatory information gathering and training period when God equips you to face what lies ahead. This book would help you to understand what you can learn from your wilderness experience and how you can turn this seeming painful period to a school of life. As a child of God, you are equipped to face any challenge or difficulty that exists. The tests that you face are opportunities to show you what is on your inside and to expose any crack that may hinder your overall success. The Power of I Am Joel Osteen, 2015-10-06 Transform your self image and embrace the power of positive thinking with two simple words: declare I Am and celebrate the life God has created for you. Whatever follows the words I am will always come looking for you. So when you go through the day saying I am blessed, blessings pursue you. I am talented, talent follows you. I am healthy, health heads your way. I am strong, strength tracks you down. Joel Osteen reveals how The Power of I Am can help you discover your unique abilities and advantages to lead a more productive and happier life. His insights and encouragement are illustrated with many amazing stories of people who turned their lives around by focusing on the positive power of this principle. You can choose to rise to a new level and invite God's goodness by focusing on these two words: I AM.

Transformation lays the groundwork for what church and Christian community can become in this new century Author and pastor Bob Roberts Jr is one of the architects of this unique approach to Christianity based on biblical and missional discipleship that he calls T Life transformed life which leads to a T World transformed world Ever since Jesus' commission to make disciples in his name Christianity has transformed lives and the world at large To those watching it must have looked like an upstart religion led by a group of men most of whom were martyred for their beliefs The voice of secular culture today is no louder and no more indulgent than it was in those days And yet much of the Western church has settled for becoming just another mass media market that's adding to the noise instead of a movement that continues to turn the world upside down Drawing inspiration from early church history and the emerging church in the developing world Roberts envisions a new way of engaging the local church to achieve common goals He calls for Building a church culture rather than a church program Empowering the local church to invest in the global missions field Consistently reestablishing our relationship with Jesus Christ in order to experience true transformation In fact all this begins with a growing interactive relationship with God that includes personal and corporate worship This in turn results in community As community serves others transformation has both a global and local impact and creates transformation in the world Transformation redefines the focus and practice of the church not from external bells and whistles but from the internal transformation of the very character of its people
