*Spores* Maria Lodovica Gullino,2021-08-17 This book aims to describe though in a quite light way the social role of plant diseases letting the reader know the topical importance of plant pathology as well as the role of plant pathologists in our society Plant diseases caused in the past significant economic losses deaths famine wars and migration Some of them marked the history of entire countries One example among many the potato late blight in Ireland in 1845 Today plant diseases are still the cause of deaths often silent in developing countries and relevant economic losses in the industrialized ones This book written with much passion neither wants to be a plant pathology text On the contrary it wants to describe in simple words often enriched by the author's personal experience various plant diseases that in different times and countries did cause severe losses and damages Besides the so called historical plant diseases in the process of writing this book she wanted to describe also some diseases that though not causing famine or billions of losses because of their peculiarity might be of interest for the readers Thus this book has not been conceived and written for experts but for a broader audience of different ages willing to learn more about plant health and to understand the reasons why so many people in the past and nowadays choose to be plant pathologists This is because plants produce most of the food that we consume that we expect to be healthy and safe and because plants make the world beautiful The title *Spores* is evocative of the reproduction mean of fungi *Spores* are small light structures often moving fast The chapters of this book are short and concise Just like spores      **The**

**Christmas Reader** Godfrey Smith,1886 When Godfrey invited readers of his Sunday Times column to suggest their favourite pieces on Christmas the response was so overwhelming that he decided to collect them together with some of his own favourites resulting in this eclectic anthology of verse and prose short stories reminiscences and diary entries ranging from Coward to Shakespeare from the traditional to the subversive the whimsical to the sinister the ironic to the tragic and illustrated with an equally varied selection of drawings from many periods      *The Epworth Herald* ,1905      *The Art Treasures of England* Joseph Vernon Whitaker,1878      *Christian Register and Boston Observer* ,1906      *The Canadian Teacher ...* Gideon E.
