*Le petit prince* Antoine de Saint-Exupéry, 1946 J'ai ainsi vu seul sans personne avec qui parler véritablement jusqu'à une panne dans le désert du Sahara il y a six ans Quelque chose s'est cassé dans mon moteur Et comme je n'avais avec moi ni mécanicien ni passagers je me suis senti obligé d'essayer de réparer tout seul une réparation difficile C'était pour moi une question de vie ou de mort J'avais peine de l'eau boire pour huit jours Le premier soir je me suis donc endormi sur le sable mille milles de toute terre habitée J'étais bien plus isolé qu'un naufragé sur un radeau au milieu de l'océan Alors vous imaginez ma surprise au lever du jour quand une drôle de petite voix m'a réveillé Elle disait Si tu veux je te dessine moi un mouton

*The Little Prince* Antoine De Saint, 2001-01 Moral allegory and spiritual autobiography The Little Prince is the most translated book in the French language With a timeless charm it tells the story of a little boy who leaves the safety of his own tiny planet to travel the universe learning the vagaries of adult behaviour through a series of extraordinary encounters His personal odyssey culminates in a voyage to Earth and further adventures Letter to a Hostage which contains certain themes that were to appear in The Little Prince is Saint Exupéry's optimistic and humane open letter to a Jewish intellectual hiding in occupied France in 1943

**The Little Prince** Antoine de Saint-Exupéry, 2015-12-29 Illustrated Version The Little Prince Le Petit Prince By Antoine de Saint Exupéry The Little Prince The Children's Classic Novella The Little Prince is a poetic tale with illustrations by the author in which a pilot stranded in the desert meets a young prince fallen to Earth from a tiny asteroid The story is philosophical and includes social criticism remarking on the strangeness of the adult world It was written during a period when Saint Exupéry fled to North America subsequent to the Fall of France during the Second World War witnessed first hand by the author and captured in his memoir Flight to Arras The adult fable according to one review is

actually an allegory of Saint Exupéry's own life his search for childhood certainties and interior peace his mysticism his belief in human courage and brotherhood and his deep love for his wife Consuelo but also an allusion to the tortured nature of their relationship Though ostensibly styled as a children's book *The Little Prince* makes several observations about life and human nature For example Saint Exupéry tells of a fox meeting the young prince during his travels on Earth The story's essence is contained in the lines uttered by the fox to the little prince *On ne voit bien qu'avec le cœur L'essentiel est invisible pour les yeux* One sees clearly only with the heart What is essential is invisible to the eyes Other key thematic messages are articulated by the fox such as *Tu deviens responsable pour toujours de ce que tu as apprivoisé* You become responsible forever for what you have tamed and *C'est le temps que tu as perdu pour ta rose qui fait ta rose si importante* It is the time you have lost for your rose that makes your rose so important The fox's messages are arguably the book's most famous quotations because they deal with human relationships

**The Little Prince** Antoine Saint-Exupéry, 2017-08-31 The narrator an airplane pilot crashes in the Sahara desert The crash badly damages his airplane and leaves the narrator with very little food or water As he is worrying over his predicament he is approached by the little prince a very serious little blond boy who asks the narrator to draw him a sheep The narrator obliges and the two become friends The pilot learns that the little prince comes from a small planet that the little prince calls Asteroid 325 but that people on Earth call Asteroid B 612 The little prince took great care of this planet preventing any bad seeds from growing and making sure it was never overrun by baobab trees One day a mysterious rose sprouted on the planet and the little prince fell in love with it But when he caught the rose in a lie one day he decided that he could not trust her anymore He grew lonely and decided to leave Despite a last minute reconciliation with the rose the prince set out to explore other planets and cure his loneliness

**The Little Prince** Antoine Saint-Exupéry, 2016-10-14 The *Little Prince* recounts the relationship between an adult and a child The adult is an aviator who has crash landed in the Sahara desert The child is a golden haired prince who has arrived on Earth after taking a circuitous route from his home on a distant asteroid The prince's tales of sheep and baobab trees and roses and the inhabitants of miniscule planets reveal many truths about the absurdness of the adult world Caroline Gourmand's beautiful new illustrations enhance a text which oscillates between narrative and dialogue and between the language of an adult and the language of a child It is truly unfortunate that we can never know how Antoine de Saint Exupéry would have wanted his book to be interpreted but he has graciously bequeathed us with the simplest of means to reflect on life love and mortality For children aged 8 and upwards
