## **Leader Managers In The Public Sector Managing For Results:**

*Leader-Managers in the Public Sector* Michael S. Dukakis, John H. Portz, 2015-01-28 Highlights the skills and practices necessary for effective leader managers in the public sector It begins by clarifying the differences between leadership and management It then draws on in depth interviews with seven successful leader managers in different policy fields to identify six critical skills and practices that are necessary for good leadership and good management in the public sector

**Leader-managers in the Public Sector** Michael Stanley Dukakis, John Portz, 2010 At a time of doubt and concern about government and its capacity to serve the public this book highlights the critical skills and practices that characterize good leadership and good management Authors Michael S Dukakis and John Portz distilled this list from in depth interviews with seven successful leader managers in different policy fields and at different levels of the federal system In the first part of the book they present these common skills using extensive analysis of the interviews and in the second part they provide the actual interview transcripts Readers can start with a focus on the detailed presentation of the key skills and practices then turn to the transcripts to explore in more depth the experiences of these successful leader managers

**Managing for Public Service Performance** Peter Leisink, Lotte B. Andersen, Gene A. Brewer, Christian B. Jacobsen, Eva Knies, Wouter Vandenabeele, 2021-03-04 How can management make a meaningful contribution to the performance of public services Around the world public organizations face increasingly complex social issues related to globalization migration health crises national security and climate change To meet these challenges we need a better understanding of what managing for public service performance means and what it requires from public managers and public servants This book takes a multidisciplinary critical and context sensitive approach to address such questions Through a comparative review of public administration research it examines a variety of management aspects such as leadership behavior human resource management performance diversity and change management It also critically reflects on how the context of the public sector affects the management performance relationship in democratic societies as well as the influence of numerous stakeholders and their beliefs about the nature and purpose of public service By clarifying conceptual issues and taking a theoretical and evidence based approach to the relationships between management and performance this book offers new directions for research and a framework to help improve public services in practice
