**Long Range Shooting** Black Bridge, 2020-02-26 Having a long range rifle without a place to shoot is like having Olympic ice skis in Fiji: nice, but what's the point? Most outdoor clubs contain at least 100 yards, but long rifles require much more space, especially for safety reasons. Where to go? How can I learn? This is a valid question. If we were discussing long range shooting, it would be a good idea to introduce him in modern terms. Regarding current standard equipment from modern central firefighting cannons: BC high bullets and advanced optics. If you are experienced or without firing experience, this is the first guide to help you understand basic concepts. Learning to shoot long range is not difficult. Once you understand the basics, you can start to master your technique, and you will hit the targets in no time.
