**Foreign Relations Library** Foreign Relations Library,1969      **A Short Walk in the Rain** Hugh Hood,1989 For a writer  
who once professed If in the course of my life I can get half a dozen stories printed I ll be satisfied Flying a Red Kite 1962  
marked the start of a very much more productive career A new edition of that title released by the Porcupine s Quill in 1987  
formed volume one of a proposed Collected Stories A Short Walk in the Rain Volume Two includes thirteen stories written  
between 1957 and 1961 which for one reason or another were left out of Red Kite and which have never since been published  
They include five of what the author delicately calls instructive artistic failures two interesting failed tries and half a dozen  
unpretentious successes which Hood would rank with anything in Flying a Red Kite The title story one of the successes is the  
first story Hood wrote in January 1957 The author would admit it is derivative he was certainly aware at the time that the  
final action of A Farewell to Arms consisted of a short walk in the rain and he came to realize later that its title was an exact  
metrical echo of The Old Man and the Sea an iamb a single heavily stressed syllable and an anapest but that is the point  
What Hood tries to demonstrate in this book is something of the process by which he started to emulate the masters and  
somewhere along the way found the voice to write accomplished fiction in his own style The last story in this collection From  
the Fields of Sleep was written in August 1961 It has all of Hood s trademarks a title from the Immortality Ode insistent use  
of bright colour imagery and the use of an indirect free style which hovers between the first and third person allowing the  
narrative to move from mimetic description to something pretty close to interior monologue There is also a fascination with

death and dying and the gradual emergence from terror through hope to final exhilaration It is odd that From the Fields of Sleep was written just a month after Hood wrote Flying a Red Kite perhaps his most famous story and yet From the Fields has never yet been published Apart from its literary historical and writing craft interest A Short Walk in the Rain demonstrates the author's firm commitment to Roman Catholicism and portrays two of the enduring social institutions the Church and the University as they were in Quebec of the 1960s      **Popular Mechanics** ,1999-01 Popular Mechanics inspires instructs and influences readers to help them master the modern world Whether it's practical DIY home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science PM is the ultimate guide to our high tech lifestyle      **Catalog of the Cuban and Caribbean Library, University of Miami, Coral Gables, Florida** University of Miami.
