Galactica Caprica Doctor Who and Torchwood as well as Joss Whedon's many series illustrate a shift from traditional clearly defined characterizations toward much murkier definitions. Traditional heroes give way to gray heroes who must become more like the villains or monsters they face if they are going to successfully save society. This book examines the ambiguous heroes and villains focusing on these characters' different perspectives on morality and their roles within society. Appendices include production details for each series, descriptions and summaries of pivotal episodes, and a list of selected texts for classroom use. Shannon Pemrick, Legacy World, 2023-01-17 Will one desperate prayer deliver me salvation or seal my destruction? I'll do anything for my family, even call upon the gods to save them. I didn't anticipate they would arrive in person to offer their blessing, and I most certainly didn't predict the feelings they evoke in me when they decide to become part of my life. As a cursed völva, a Norse witch, I have learned to not ask for more than I am afforded. So when Thor and Baldr openly admit their desire to be around me, I shouldn't think anything of it beyond friendship. I am but a mortal woman, cursed to only feel the ache of a yearning heart. And yearn I do. From shared drinking horns to unforgettable nights, I foolishly believe my curse is finally broken. But when trouble amongst the gods stirs, I may just pay the ultimate price for my transgressions. And the price for spilling the blood of their Valkyrie is one too steep for any god.

Valkyrie Lost is perfect for fans of fated yet forbidden romances, reimagined Norse mythology, and stories such as *A Fate Inked in Blood* and *Twilight of the Gods*. It is book 1 of Astrid's slow build, the men fall first saga that spans both the Viking Age and Modern Age. Her other two books are *Valkyrie Renewed* and *Valkyrie Freed*. Astrid's story is part of the *Valkyries Rising* series, Tales where the heroine doesn't have to pick just one mate. In these pages, you'll find strong heroines who don't back down and the shifters, gods, dragons, and other immortals who love them and fight by their sides.
