Love In Between English Edition:

DEMONS & ANGELS: LOVE IN BETWEEN Gary Smallwood, 2016-12-05 A book of poems about real life demons and angels some you find in life and others in death and in between you have to live Love between Men in English Literature Paul Hammond, 1996-11-12 This is the first book to provide an account of the representation of emotional and sexual relationships between men across English literature from the Renaissance to the modern period Based on new research but aimed at the student and the general reader Paul Hammond discusses major writers such as Marlowe and Shakespeare Tennyson and Wilde Forster and Lawrence but also introduces less familiar texts which cast light on the homosexual culture **Love in Interpretation** Bryant K. Owens, 2019-02-28 Dr Bryant K of their periods There is an extensive bibliography Owens presents the argument of the value of the Christian tradition of caritas or love from the philosophy and the subsequent hermeneutic of Saint Augustine of Hippo 354 430 within contemporary philosophical scholarship Dr Owens s study of Augustine's investigations into biblical interpretation will reveal that he sought the beauty of understanding as evidenced through caritas The shift in the Western philosophical tradition during the Enlightenment period resulted in a solid break from authority based hermeneutics to the autonomy of the mind The result was a greater emphasis on the literal meaning of a text as gleaned from the subjective mind of the reader and through grammatical and historical criticism over the spiritual meaning of the text or application of the greater meaning to Christian living Dr Owens proposes that the benefits of Augustine's caritas as the a priori spirit of the biblical text and the proper application of that spirit in contemporary scholarship should be the epistemological focus of hermeneutics rather than the emphasis on method prevalent from Spinoza to Dilthey The concluding value from Augustine's hermeneutic is that caritas is a product of understanding while at the same time is the method or means by which caritas is produced Therefore Augustine's hermeneutic argues that the sense or spirit of Scripture is caritas and is the truth to which all Christian philosophy must cohere Fourteen Love Stories Jose Y.
