Journal de Maïdan Andreï Kourkov, 2024-05-02T00:00:00+02:00 Du haut de mon balcon je regarde souvent la fumée qui s'élève au dessus du centre de la ville Cette fumée noire paise celle des barricades en feu est devenue le nouvel emblème non seulement de Kiev mais de l'Ukraine tout entière Le 21 novembre 2013 sous la pression de Moscou le président ukrainien Viktor Ianoukovitch refuse de signer un accord d'association avec l'Union européenne Des Ukrainiens investissent alors la place Maïdan Kiev et l'occuperont pendant trois mois malgré la répression brutale du gouvernement Dans ce journal tabli partir de notes prises sur le vif Andre Kourkov raconte un quotidien en temps de révolution et livre un regard la fois politique et intime sur les événements qui secouent son pays et qui portent en eux la guerre qui sera déclarée en 2022 [Journal](#) Military Service Institution of the United States, 1905 **Journal** Institute of Petroleum (Great Britain), 1924 **Journal of the Institution of Petroleum Technologists** Institute of Petroleum (Great Britain), 1924 Volumes for 19 include abstracts

In doing so the author draws upon diverse fields including art history geography philosophy political science theatre studies and urban studies to situate the art in a broader context of the humanities with the aim of modelling interdisciplinary research grounded in an ethics of solidarity with global social justice work Collectively these case studies reveal how artists local responses to urban revanchism since the end of the Cold War are productive reorientations of social relations and harbingers of worlds to come By using plain language and avoiding excessive academic jargon the book is accessible to a wide variety of readers It will appeal to scholars and graduate students in the fields of studio art modern and contemporary art history performance studies visual culture and visual studies especially in relation to those interested in conceptual practices performance art site specificity public art political activism and socially engaged art Cultural geographers and urban theorists interested in the social and political ramifications of temporary and everyday urbanism will also find the analysis of artworks relevant to their own studies
