Killing Moses Solving History S Oldest Cold Case Mystery:

Killing Moses Rand Flem-Ath, 2014-12-06 There is a subterranean story within the Bible that has been repressed for centuries It is a tale of greed betrayal and revenge It is the story of the hijacking of the Exodus by a perfect impostor Why is so little known about the death of Moses the greatest prophet of the Old Testament There are no witnesses no body no funeral and no one knows to this day where his burial place is The clues to this ancient enigma lie in the disturbing circumstances surrounding his disappearance The truth about this powerful man remains elusive as his life has always been shrouded in mystery The isolated details of the biblical story and the contradictory accounts of his behavior have mystified and frustrated scholars and devotees alike For the last years of his life he chose to hide behind a mask At times he is depicted as a meek stuttering figure pleading with God that he s unfit for a sacred mission At other times his tyrannical commands terrorize the children of Israel What is the explanation for these extreme shifts in the prophet s character Was Moses mentally ill The evidence suggests something much more sinister he was assassinated and replaced by an impostor The idea that the prophet had been murdered obsessed Sigmund Freud for forty years But despite devoting his last book to the subject he could not identify the man who had stolen the prophet s identity KILLING MOSES exposes a prime suspect the Magician Reuel a charismatic character whose influence molded the development of both Judaism and Christianity Far from being a minor biblical character Reuel was Moses father in law He was deeply embedded in the lives of the tribal leaders a perfect position from which to pursue his brutal agenda of vengeance Trained in the elite art of magic at Egypt s prestigious House of Life he had learned how his sophisticated skills could serve him well in manipulating and dominating the political game The story of Osiris a critical tale in the education of any Egyptian magician in which a righteous son slays his uncle in retaliation for the murder of his father provided Reuel with a blueprint for murder His motive for murdering Moses was as old as humankind A born actor his commanding voice and sense of drama eventually paved the way for him to seize control over a naive and often terrified populace To this end he concealed his face behind a mesmerizing mask But it was his unique talent for impersonation that hid his crimes for more than 3000 years Using time honoured detection methods to crack this ultimate cold case file KILLING MOSES uncovers the motive the means and the opportunity of the prime suspect in this enduring unsolved homicide

The Murder of Moses Rand Flem-Ath, Rose Flem-Ath, 2019-06-04 An investigation of how Moses was deceived and murdered by his father in law Reuel Shows how the magician Reuel staged the Burning Bush that spoke to Moses and assumed Moses identity after his murder Explains how early scribes edited the Exodus story to cover Moses assassination and replacement and fabricated Moses origin story Builds upon the Moses research of Goethe Christopher Marlowe and Sigmund Freud who spent the last 40 years of his life obsessed with solving Moses murder The life of Moses the greatest prophet of the Old Testament has always been shrouded in mystery The Bible mentions no witnesses to Moses death no funeral and no indication of his burial place and the story of Exodus paints a very contradictory picture of

this man so important to both Judaism and Christianity At times he is depicted as a meek stuttering figure and at others his tyrannical commands and fits of rage terrorize the children of Israel And for the last years of his life he chose to hide behind a veil What is the explanation for these extreme shifts in character Was Moses mentally ill As Rand and Rose Flem Ath reveal the evidence points to something much more sinister Moses was murdered and replaced by an impostor The result of a decade long investigation this book continues and builds upon the research of Goethe Christopher Marlowe and Sigmund Freud who spent the last 40 years of his life obsessed with solving Moses murder and reaches a startling but well evidenced conclusion that Moses was deceived and murdered by his father in law Reuel The authors show how Reuel was a skilled magician trained at Egypt s prestigious House of Life and they reveal his motive He was the son of Esau from whom Jacob stole his birthright the leadership of the Hebrew people a role that Moses was now assuming The authors explain how the magician Reuel used his sophisticated skills of manipulation and illusion to fake the Burning Bush that spoke to Moses as well as conceal his assumption of Moses identity after the murder They reveal how the early scribes of the Old Testament inserted lags of time into the Exodus story to cover Moses assassination and replacement fabricated Moses origin story and changed the location of the Mountain of God from Edom where Reuel was a prince to Sinai Unveiling the enigma of Moses real story and his murder and replacement the Flem Aths dramatically challenge the time line and details of biblical history exposing a cover up at the very origins of Western religion [Atlantis Rising Magazine - 110 March/April 2015](#) J.
