Rider Haggard,2018-12 King Solomon s Mines is a story about the adventures of three men Allan Quatermain Sir Henry Curtis and Captain John Good who go on a rescue mission to find Sir Henry Curtis brother Neville Neville is last known to have gone in search of the fabled King Solomon s Mines which is said to be full of riches and unimaginable valuables The party retraces the steps of Neville which takes them through many dangers adventures and evil intentions Haggard weaves a tale of fantasy and adventure around the search of a man lost for two years The exotic land of Africa is coloured as a dangerous and exciting place There are instances in the story where the superiority of the civilised folk manifests itself However the honour and benevolence of the tribal people is highlighted throughout the book The story teaches one very important lesson which is to keep trying till you succeed *King Solomon's Mines Annotated and Illustrated Edition* H. Rider Haggard,2021-05-24 King Solomon s Mines is the narrative of Allan Quatermain elephant hunter and explorer and his adventures in the company of Danish man of action Sir Henry Curtis and Royal Navy officer Captain Good Sir Henry Curtis hires Quatermain to use his knowledge of Africa and his skills as a hunter

to lead an expedition in search of Sir Henry's lost brother George Neville. George vanished while seeking the long lost diamond mines of King Solomon in an unexplored part of Africa. The possibility of riches along with a stipulation that Sir Henry will provide for Quatermain's medical student son should he meet his end persuades Quatermain to take the job.

King Solomon's Mines Henry Rider Haggard, 2011-12-19 This faithful but unpretending record of a remarkable adventure is hereby respectfully dedicated by the narrator to all the big boys and little boys who read it. I offer apologies for my blunt way of writing. I can but say in excuse of it that I am more accustomed to handling a rifle than a pen. This is the strange history of our journey into the heart of Kukuania, a trek into the interior of the dark continent to find a lost friend and discover the diamond mines of King Solomon. In the course of a long life of close shaves I never had such shaves as those which I have recently experienced. Allan Quatermain of Durban, Natal Gentleman.

King Solomon's Mines H. Rider Haggard, 2017-06-27 The book was first published in September 1885 amid considerable fanfare with billboards and posters around London announcing 'The Most Amazing Book Ever Written'. It became an immediate best seller. By the late 19th century explorers were uncovering ancient civilisations around the world such as Egypt's Valley of the Kings and the empire of Assyria. Inner Africa remained largely unexplored and *King Solomon's Mines* the first novel of African adventure published in English captured the public's imagination. The King Solomon of the book's title is the Biblical king renowned both for his wisdom and for his wealth. A number of sites have been suggested as the location of his mines including the workings at the Timna valley near Eilat. Research published in September 2013 has shown that this site was in use during the 10th century BC as a copper mine possibly by the Edomites. Welcome to a special edition of a renowned classic. This classic difficult to find text has been reprinted using a print on demand service to provide you with an updated version of the text at the best value possible. Several edits have been made for readability including font, text size, spacing and alignment changes. However while our goal was to enhance the ease at which this book can be read we did not alter or change the historic text. Experience this classic in all of its glory and historical significance.
