2. Which of the book's characters did you relate to the most?
3. Did this novel change your opinions on what it means to be an adult? Did you find that it called any of your assumptions about adulthood into question?
4. Ida has plenty of opinions on how Marthe and Kristoffer are raising Olea – opinions, however, that she rarely voices. Why do you think that this is?
5. *Grown Ups* is written exclusively from Ida's point of view – did being so fully immersed in Ida's perspective make you more sympathetic to her? Were there any moments where you actively disagreed with her?
