Bad Santas: Disquieting Winter Folk Tales for Grown-Ups Paul Hawkins, 2013-10-24 A gleefully dark and well researched exploration of the history and customs of European Yuletide folklore How did St Nicholas save children from cannibalism Who were the Yule Lads and why would they steal your sausages Why was the Alpine Father Christmas accompanied by a demonic figure called the Krampus who bundled children into sacks and dragged them off to Hell And why do Spanish nativity scenes often feature a defecating peasant Over the course of the 20th Century a universal image developed around the world of Santa Claus as a kindly Christmas visitor but prior to that each country town and community would have Christmas visitors of their own sometimes human sometimes animal sometimes something else entirely with their own curious set of mythology and customs The Finns were visited by a pagan goat named Joulupukki that was said to eat anyone who misbehaved In Iceland it was said that any child who did not receive an item of new clothing for Christmas would be caught and consumed by the monstrous Christmas Cat *Bad Santas* celebrates some of the most imaginative terrifying and outright curious Christmas figures from across Europe looking closely at its legacy of disquieting fairy stories With beautiful black and white line drawings in each chapter this unusual entertaining and gleefully dark exploration of seasonal folklore will make an ideal Christmas gift and the perfect book for reading around the fireside *Play Among Books* Miro

Out of the Ordinary Jon Ronson, 2006-12-01 A collection of Jon's newspaper features reworked and with new material

with a common theme the ways in which people get themselves into wholly irrational bubbles within which all manner of lunacy makes perfect sense In Jon s previous two books *Them* and *The Men Who Stare at Goats* the nuttiness took place a long way from everyday life on US military bases or at Jihad training camps or during conclaves of powerful men gathered for an annual ritual in a redwood forest In *Out of the Ordinary* the nuttiness is much closer to home it s mainstream domestic ordinary insanity *Out of the Ordinary* is Jon Ronson at his inimitable best hilarious thought provoking and with an unerring eye for human frailty not least his own

Jon Ronson's Adventures With Extraordinary People Jon Ronson,2012-12-06 Jon Ronson s *Adventures With Extraordinary People* collects together in a single volume three of Jon Ronson s bestselling titles *Them* *The Men Who Stare at Goats* and *The Psychopath Test* *Them* charts Jon s discovery that extremists Islamic fundamentalists neo Nazis Ku Klux Klansmen all have one oddly similar belief that a tiny shadowy elite rule the world from a secret room And so Jon sets out to locate that room Chased by men in dark glasses and unmasked as a Jew in the middle of a Jihad training camp Jon s journey is creepy as well as comic and perhaps the extremists are on to something *The Men Who Stare at Goats* tells the unbelievable story of the First Earth Battalion established by the US Army in 1979 as a secret unit they defied all known military practice and even the laws of physics in their belief that a soldier could become invisible pass through walls and kill goats just by staring at them And as Jon discovers they really weren t joking *The Psychopath Test* sees Jon set out on an utterly compelling adventure into the world of madness He meets psychopaths those whose lives have been touched by madness and those whose job it is to diagnose it from whom Jon learns the art of psychopath spotting And it soon becomes clear that madness could indeed be at the heart of everything Often funny sometimes chilling and always thought provoking these books combine Jon s trademark humour charm and investigative incision whilst asking some very serious questions The belly laughs come thick and fast my God he is funny Observer

The Psychopath Test Jon Ronson,2011-06-01 The Sunday Times top ten bestseller from the author of *The Men Who Stare at Goats* The belly laughs come thick and fast my God he is funny Ronson s new book is provocative and interesting and you will I guarantee zip merrily through it Observer What if society wasn t fundamentally rational but was motivated by insanity This thought sets Jon Ronson on an utterly compelling adventure into the world of madness Along the way Jon meets psychopaths those whose lives have been touched by madness and those whose job it is to diagnose it including the influential psychologist who developed the Psychopath Test from whom Jon learns the art of psychopath spotting A skill which seemingly reveals that madness could indeed be at the heart of everything Combining Jon Ronson s trademark humour charm and investigative incision *The Psychopath Test* is both entertaining and honest unearthing dangerous truths and asking serious questions about how we define normality in a world where we are increasingly judged by our maddest edges
