already know the answer but didn't want to consider it. Is that a way to greet a guest? Jaxon asked smoothly. I didn't invite you. Cecil reminded him. How did you get in? The man had the audacity to laugh. I'm a man of many talents. Great. Then say what you want and get the hell out of here. Now now, the man said smoothly. Do you always talk like that to your lovers? Shared by His Clients More Lisa Love, Submit to them or walk away. Jamie never expected more than one unforgettable night with the two sinfully hot billionaires. But one night turned into several, and soon he wasn't just tangled in their sheets; he was falling for them. Their chemistry is explosive. Their touch is addictive. And Jamie starts to crave more than just their bodies. But then he discovers the truth. They've gone behind his back, hiring him for a mysterious job he never agreed to, one that makes him feel more like a paid plaything than a lover. The passion was real, wasn't it? Now Jamie has a choice: keep playing the game and risk losing himself completely, or walk away before his heart is the next thing they own. Trigger warnings: First time gay sex, anal virgin, group sex, explicit gay sex scenes, anal sex, swearing. Note: This is book 3 in the series. It ends with a cliffhanger. The story continues in Shared by His Clients Forever. Excerpt: On Friday morning, Jamie was called to his boss's office. A client has requested your help for the upcoming week. What sort of help? Consultancy. They need someone to review several departments and advise them on running their operations more efficiently. Why me? I don't know anything about that. The client seems to have faith in you. They have expressively requested that you handle the task. And only you. I did ask if they would also have one of our experts tag along, but they turned down my suggestion. Can I refuse? Jamie flung out. Even if he knew it wouldn't be his best career move. Preferably not. We rely on this client. I can order you to go, but it would be better for both of us if you do this voluntarily. Jamie had a strong suspicion. Who's the client? Nexora Solutions. Right. Jamie recognised the name and knew who was behind this scheme. The project was a hoax. A complicated way of getting in his pants when all they had to do was ask. It would have been more considerate if they invited him to come to them, and he wouldn't have hesitated to do so. But by going through his boss, they just showed their true colour, believing they could buy his services as if he was a prostitute and not someone they actually cared about. Jamie had never felt more insulted. And by forcing his boss's hand, they were also forcing him to comply without having anything to say in the matter. It showed how little they respected him and his kind. The working class. They were just typical rich men who thought they could buy everything they wanted, including him. **Shared by His Clients Again** Lisa Love, Is it a one-night stand? When the two insanely hot billionaires find out Jamie's a virgin, they extend a very exclusive invitation to their hotel room. Jamie says yes. How could he not? This is his chance to finally live out the fantasies he's kept locked away, not with one lover but two. What starts as a night of exploration quickly turns into something far more intense. Jamie's never felt pleasure like this, raw, consuming, and completely out of his control. They take him apart only to put him back together in ways he never imagined. It was supposed to be just one night. But what if they want more? Trigger warnings: First time gay sex, anal virgin, group sex, explicit gay sex scenes, anal sex, swearing. Note: This is book 2 in the series. It ends with a cliffhanger. The story continues in Shared by His Clients More.

Excerpt Jamie his boss called after him when they met in the corridor on Monday afternoon Jamie knew his boss had been stuck in meetings all day long so there was no surprise he hadn't seen him Ralph had returned to work after his illness leaving Jamie to return to his usual job at the marketing apartment I wanted to thank you You did an amazing job on Friday The clients were so pleased they asked for you to participate in all our future discussions They did Yes they were so satisfied that they added a bonus for you on top of the usual fee I have no idea what you did but if you keep it up you'll be in for a promotion soon If a hefty bonus when the deal is signed off Thank you Sir Actually it's me who should thank you Jamie These two are not the easiest of our clients but you seem perfect for a key account manager role So keep up the good work and you will get it Jamie had never seen his boss smiling so broadly I will Sir I definitely will Jamie felt he had already received a bonus no matter what his boss had said He had received an invitation for the upcoming weekend and he had accepted it without any hesitation The sensible thing would be to think it over for a few days but when two hunks had offered him a flight ticket and two nights with them at a fancy hotel he was willing to jump in and see how it went Only this time Jamie wanted the full experience
