Loves Like That The Women Of Independence Book English Edition:

The sexual life of our time: a complete encyclopaedia of the sexual Iwan Bloch, 1937 **The Sexual Life of Our Time in Its Relation to Modern Civilization** Iwan Bloch, 1912 **Love Lives** Carol Dyhouse, 2021-02-11 The story of how women's lives, loves and dreams have been reshaped since 1950 the year of Walt Disney's Cinderella and a time when teenage girls dreamed of marriage Mr Right and happy endings Cinderella stories captured the imagination of girls in the 1950s when dreams of meeting the right man could seem like a happy ending a solution to life's problems But over the next fifty years women's lives were transformed not by the magic wand of a fairy godmother nor by marrying princes but by education work birth control and feminism However while widening opportunities for women were seen as progress feminists were regularly caricatured as man haters cast in the role of ugly sisters witches or wicked fairies in the fairy tale This book is about the reshaping of women's lives, loves and dreams since 1950 the year in which Walt Disney's film Cinderella gave expression to popular ideas of romance and at a time when marriage was a major determinant of female life chances and teenage girls dreamed of Mr Right and happy endings It ends with the runaway success of Disney's Frozen in 2013 a film with relevance to very different times Along the way it illuminates how women's expectations and emotional landscapes have shifted asking bold questions about how women's lives have been transformed since 1950 How have women's changing life experiences been mirrored in new expectations about marriage intimacy and family life How have new forms of independence through education and work and greater control over childbearing altered women's life ambitions And were feminists right to believe that sexual equality would improve relationships between men and women The Sexual Life of Our Time in Its Relations to Modern Civilization Iwan Bloch, 1909 Love in the Time of Revolution Andrew Cayton, 2014-06-10 In 1798 English essayist and novelist William Godwin ignited a transatlantic scandal with *Memoirs of the Author of A Vindication of the Rights of Woman* Most controversial were the details of the romantic liaisons of Godwin's wife Mary Wollstonecraft with both American Gilbert Imlay and Godwin himself Wollstonecraft's life and writings became central to a continuing discussion about love's place in human society Literary radicals argued that the cultivation of intense friendship could lead to the renovation of social and political institutions whereas others maintained that these freethinkers were indulging their own desires with a disregard for stability and higher authority Through correspondence and novels Andrew Cayton finds an ideal lens to view authors' characters and readers all debating love's power to alter men and women in the world around them Cayton argues for Wollstonecraft's and Godwin's enduring influence on fiction published in Great Britain and the United States and explores Mary Godwin Shelley's endeavors to sustain her mother's faith in romantic love as an engine of social change *The Physiology of Love and Other Writings* Paolo Mantegazza, 2007-01-01 Physician anthropologist travel writer novelist politician Paolo Mantegazza 1831-1910 was probably the most eclectic figure in late nineteenth century Italian culture A prolific writer Mantegazza can be seen as a forerunner of what has come to be known as

cultural studies on account of his interdisciplinary approach his passionate blend of scientific and literary elements in his writings and his ability to transcend the boundaries between high and low culture Though extremely popular during his lifetime both in Italy and abroad Mantegazza s works have not been made available in a significant English language compilation This volume is a representative overview of Mantegazza s key works many of them translated into English for the first time In addition to the unabridged *Physiology of Love* 1873 a veritable best seller at the time of its initial publication this compilation features selections from Mantegazza s writings on medicine his travelogues his epistolary novel *One Day in Madeira* 1868 and his treatise on materialistic aesthetics Replete with an extensive and informative introduction by the editor *The Physiology of Love and Other Writings* also excerpts Mantegazza s works of science fiction memoir and social and cultural criticism As an anthology of the works of Paolo Mantegazza a writer of diverse topical orientations this volume is also an account of the circulation of ideas and cross fertilization of disciplines that defined a crucial period of Italian and European cultural life

Documentation Sur la Recherche Féministe ,1983 *The Women's Liberation Movement in Russia* Richard Stites,1978-02-21 This book offers a brilliant treatment of many facets of its subject but it also ends up being for the reader one of the finest general histories to be found of these crucial years in Russian history The source material is unbelievably detailed and clearly cited on each page Not only that the writing is at many points the boldest clearest I ve almost ever found in the Academy The author s opinions summaries insights easily spill out of the historical constructions The presence of the author s psyche he never hides behind his quotes means the material is contoured The reader gets not only huge amounts of information but an authorial presence as company that is often daring bold insightful revelatory And one stylistic point made me especially happy when Stites uses metaphors to explain history these are revelatory and their internal implications are followed through in the prose from [www goodreads com](http://www.goodreads.com) Feb 2 2011 *Academy, with which are Incorporated Literature and the English Review* ,1891 *John O'London's Weekly* ,1920 *A New English Dictionary on Historical Principles* ,1893 **A New English Dictionary on Historical Principles** James Augustus Henry Murray,Sir William Alexander Craigie,Charles Talbut Onions,1893 **Jane Eyre** Charlotte Brontë,1871 **National Republican** ,1956 **The Literary World** ,1899 *New-Church Messenger* ,1902 **National Republic** ,1957 **The New Jerusalem Messenger** ,1902 **The Birth Control Review** Margaret Sanger,1927 *The New Statesman* ,1917
