

ANCESTRAL INVOCATION PRAYER

My uplifted Ancestors, guides, fierce protectors and skilled healers. Please stand with me [say your name], child of [beloved parents names]. Be with me in this moment, and guide me along my road with a cool head and a clear mind.

I am root of your root, soil of your soil,
bone of your bone, and blood of your
blood.

Not deaf to our sincere cries; nor blind
to our honest placations, keep the gifts
of perfect health, wealth, and
prosperity close so that we may honor
and grow your legacy.

I have not forgotten my committment to
our lineage, and I vow to never forget.
Thank you.

Steffey,2016-02-15 *Courage to Surrender* is an engaging story of hope that will captivate anyone interested in finding a compassionate community of Jesus's disciples It is a story of how nine American teenagers from Pittsburgh Pennsylvania came to discover how to be the church not the church of twentieth century in America but a hopeful future resurrected church for the twenty first century It is a church fellowship where people love one another with the extravagant love and grace of God one in which a love for those in need flows out of their relationships with one another It is a story of transformation not only of individuals but of a diverse fellowship of believers In it you will find pain and healing questions and answers struggles masks removed radically change lives some humor and a lot of hope It is written for young adults seeking meaning and purpose in life and for mature Christians frustrated with the fragmentation of the church and its preoccupation with rules programs buildings and control Nearly every chapter has its surprises On first reading it is simply a fascinating tale but on another level it addresses the disparities in the world and the search for significance within us all Readers will be encouraged and challenged Landmark Briefs and Arguments of the Supreme Court of the United States United States. own perceptions and transform your thoughts and desires into reality By using prayer daily you will unlock that natural potential that God placed inside of you Prayer starts by creating a cycle of continuous prayers You must believe and repeat these declarations and prayers each day If the thoughts and ideas that we affirm are not true in reality a dynamic tension is created between your perceived reality and your psyche This presence of dynamic tension causes imbalance between your psyche and perceived reality Your consciousness will work to get back in tune with the God s vision of the universe to resolve the tension There are two simple ways to ease this tension You must work with God s creation in order to make your declarations become true or you must stop the prayer As you choose to continue praying your mind and body will seek to balance this inequality with the universe by transforming your environment to match your declarations of truth Sooner than later you will find yourself taking positive and decisive action that you never imagined possible as your perceptions naturally align with your true reality If you want to see positive change now you ll find the quickest path to fulfillment with prayer through God s love There is no time to spend on loss negativity and defeat when you can be achieving tangible historically proven results with minimum time and effort invested There is no limit to changes that God can make in your life through the power of creating truth with prayer Read This Book To Change Your Life Today Also available in Audiobook Ebook Format
