A Companion to Sport David L. Andrews, Ben Carrington, 2013-09-10 A Companion to Sport brings together writing by leading sports theorists and social and cultural thinkers to explore sport as a central element of contemporary culture Positions sport as a crucial subject for critical analysis as one of the most significant forms of popular culture Includes both well known social and cultural theorists whose work lends itself to an interrogation of sport and leading theorists of sport itself Offers a comprehensive examination of sport as a social and cultural practice and institution Explores sport in relation to modernity postcolonial theory gender violence race disability and politics Maverick Commissioner Boria Majumdar, 2022-05-20 The Indian Premier League Its mere mention forces cricket fans across the world to sit up and take notice World cricket s most valued property has only grown stronger with time Conceived and implemented by Lalit Modi in 2008 the IPL has forever revolutionised the way cricket is marketed and run globally Modi had built and orchestrated the tournament by his own rules and after the stupendous success of the IPL the same rules were questioned by the administration Modi was subsequently banned for life How and why did it happen What went on behind the scenes How did it all start to go wrong between Modi and the others Are there secrets that will never come out This book is all about everything you never got to know Each fact corroborated by multiple sources who were in the thick of things Maverick Commissioner is a riveting account of the IPL and the functioning of its founder Lalit Kumar Modi Did Modi have a long telephone conversation with a BCCI top brass the day he left India for good What really was discussed Is Lalit Modi the absent present for the IPL and Indian cricket Soon to be made into a film by Vibri Motion Pictures Maverick Commissioner documents things exactly as they happened No holds barred and no questions left out It doesn t judge Lalit Modi All it does is narrate his story Who is the real Lalit Modi Let the readers decide **More Than A Shirt** Joey D'Urso, 2025-06-19 Extensively researched and wonderfully written Joey s book deserves to be read by all Martin O Neill There s more to every aspect of football than meets the eye and that s brilliantly captured here Adrian Chiles Intelligent thoughtful and brilliant Chris Mason BBC News Colourful a treat for anyone interested in football and politics Patrick Maguire The Times Original and innovative a Parts Unknown for the game Miguel Delaney Independent Smart warm and original Matt Chorley BBC Radio 5 Live _____ Twenty Two Football Shirts that explain the world geopolitics and the biggest stories of our time Football is the world s most popular sport and the shirts worn by teams and their supporters are its greatest means of cultural expression Every year clubs launch new kits with increasingly extravagant marketing campaigns and convoluted explanations of how their designs reflect their history and local community But football shirts are much more than just a symbol of which club we support A seemingly innocuous combination of colours sponsor logos and materials can all reflect the social values financial struggles and political ideologies of the day as geopolitical issues increasingly seep into every aspect of the game Investigative journalist Joey D Urso has travelled across the globe combining on the ground

reporting with unparalleled analysis to collate a list of the twenty two football shirts that best explain the modern world More Than A Shirt will take fans on a journey from Birmingham to Belgrade and onto Medellin and Mumbai outlining how we can see the war in Ukraine in the shirt of Schalke in Germany or China's foreign policy in West Bromwich Albion's how the shirts of state owned clubs are used for sportswashing and why the French national kit embodies worldwide migration patterns A compelling and eye opening exploration More Than A Shirt is essential reading for any football fan and will change the way you think about the beautiful game's most universal symbol
