**Class! Class!** L. C. Young, 2023-02-15 Sweaty palms heart palpitations and anticipating thoughts are happening as it is minutes before the school bell is about to ring to start the day Not just any day but my first day of sixth grade I can feel my heart beating like a drummer playing the drums as I walk toward Room 1218 Oh What could possibly be waiting for me once I pass through the doorframe to Miss Redd s classroom Oh What could she possibly be like What if she is not expecting me Oh What a terrible thing that would be What if I m in the wrong class Oh What a mess that would be Oh What a terrible first day of school that would be What if I can t find my desk What if I don t have anyone to eat lunch with What if I don t have anyone to walk to lunch with Would Miss Redd walk with me All these different thoughts came rushing through Geoh s mind once again as he walked to his new classroom Then as he entered the doorway he suddenly heard Hello Geoh Geoh thought to himself She knew my name without even asking me She must be a superhero Could it be Geoh s eyes immediately took notice of the many new things filling the walls of his new classroom with Miss Redd He thought to himself Oh What a year it could be Thoughts came flying through Geoh s mind like a fiery jet on a sunny blue sky day He thought just maybe that today might go his way if he would just try to do his best Maybe Room 1218 could really turn out to be the best room he s ever set foot in yet Standing at the doorway looking around and at his new classroom Geoh began to think Oh What a year it could be Oh What a year it could be     *The Family Economist* ,1851     *The Countryside Magazine and Suburban Life* ,1914
