**Crockford's Clerical Directory for 1870**, 1870 **The Protection of Trade Secrets in China** Shan Hailing, 2012-11-01 For business investors in China the legal handling of trade secrets is often crucial However initiatives are often complicated by a patchwork trade secrets protection system pieced together haphazardly over the last two decades and drawing on disparate elements of competition law contract law employment law and criminal law that diverges in significant ways from global standards and corresponding regimes in other countries Now at last interested parties can benefit richly from a thorough and practical approach to the subject This detailed analysis of China's trade secrets law provides in depth information and guidance on such important factors as the following the current framework of China's trade secrets law its

past development and its ongoing trends legal comparison of China's trade secrets law with various international regional and national schemes what constitutes trade secrets infringement in China and what remedies are available and the legal interaction in China between employment relations and trade secrets protection The author pays close attention to judicial practice and precedent in the areas of civil remedies criminal punishment and administrative penalties She also offers insightful proposals formulated to align China's trade secrets law more efficiently with prevailing global standards and generally improve the mechanisms for its implementation Corporate counsel and international lawyers concerned with intellectual property rights or labour law in China will greatly appreciate the knowledgeable guidance this book affords They will gain a deeply informed perspective that allows them to avoid infringement to battle it effectively if occasion arises and to plan dispute resolution strategies for contingencies involving trade secrets protection in China
