Constantin-François Volney,1787 Landscape and Authority in the Early Modern World Stephen H. Whiteman,2023-04-25

Courts and societies across the early modern Eurasian world were fundamentally transformed by the physical technological and conceptual developments of their era Evolving forms of communication greatly expanded mobility the spread of scientific knowledge and the emergence of an increasingly integrated global economy all affected how states articulated and projected visions of authority into societies that in turn perceived and responded to these visions in often contrasting terms Landscape both reflected and served as a vehicle for these transformations as the relationship between the land and its imagination and consumption became a fruitful site for the negotiation of imperial identities within and beyond the precincts of the court In Landscape and Authority in the Early Modern World contributors explore the role of landscape in the articulation and expression of imperial identity and the mediation of relationships between the court and its many audiences in the early modern world Nine studies focused on the geographical areas of East and South Asia the Islamic world and Europe illuminate how early modern courts and societies shaped and were shaped by the landscape including both physical sites such as gardens palaces cities and hunting parks and conceptual ones such as those of frontiers idealized polities and the cosmos The collected essays expand the meaning and potential of landscape as a communicative medium in this period by putting an array of forms and subjects in dialogue with one another including not only unique expressions such as gardens paintings and manuscripts but also the products of rapidly developing commercial technologies of reproduction especially print The volume invites a deeper and more nuanced understanding of the complexity with which early modern states constructed and deployed different modes of landscape for different audiences and environments Contributors Robert Batchelor Seyed Mohammad Ali Emrani John Finlay Caroline Fowler Katrina Grant Finola O Kane Anton Schweizer Larry Silver Stephen H Whiteman *Guide du Routard Croatie 2023/24* Collectif,2023-03-29 Cet ebook est la version num rique du guide sans interactivit additionnelle Nouvelle mise jour du Routard le guide de voyage n 1 en France Fascinante transition entre Europe centrale et M diterran e carrefour de cultures diverses la Croatie est multiple Avec ses criques paradisiaques ses c tes constell es d lots ses parcs naturels et ses villes au patrimoine poustouflant ce pays ne laisse personne indiff rent Dans Le Routard Croatie mis jour par nos sp cialistes vous trouverez Une premi re partie en couleurs pour d couvrir le pays l aide de photos et de cartes illustrant les coups de c ur de nos auteurs des itin raires th matiques et g ographiques avec toutes les infos et astuces dont vous avez besoin pour r ussir et profiter pleinement de votre voyage des activit s parcourir Gradec la ville haute de Zagreb qui garde l atmosph re des villes d Europe centra se laisser envo ter par les sons produits par l orgue maritime de Zadar Kor ula assister un spectacle de more ka la danse des p es des visites admirer la splendeur baroque de Vara din petite ville dont l unit architecturale est remarquable visiter Rovinj le bijou de l Istrie Pore adorable petite ville d

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
