La Maison De Rendez Vous And Djinn:

The Narrative Turn in Fiction and Theory H. Meretoja, 2014-10-06 The Narrative Turn in Fiction and Theory explores the philosophical and historical underpinnings of the postwar crisis and return of storytelling and shows their relevance for the ongoing debate on the significance of narrative for human existence

La Maison de Rendez-vous and Djinn Alain Robbe-Grillet, 2015-06-23 Two stunning works from the French avant garde writer and filmmaker the master of the new novel literary movement La Maison de Rendez vous With Hong Kong as the setting Alain Robbe Grillet creates a world of crime intrigue and passion dominated by Lady Ava s mysterious Blue Villa The novella unfolds over the course of only one evening but the events of that night recur repeatedly and the same moments are described from the perspectives of different characters In La Maison de Rendez vous Robbe Grillet creates a new literary entertainment and a poetic amusing captivating book The New York Times Book Review Djinn A haunting disorienting brilliantly constructed novel Djinn may win a whole generation over to the nouveau roman International Herald Tribune It is the story of a young man who joins a clandestine organization under the command of an alluring androgynous American girl Djinn Having agreed to wear dark glasses and carry a cane like a blind man he comes to realize through bizarre encounters recurring visual images and fractured time sequences he experiences as part of his undisclosed mission that he is in a sense helplessly blind His search for the meaning of his mission and for possible clues to the identity of the mysterious Djinn becomes a quest for his own identity in an ever shifting time space continuum Alain Robbe Grillet is the forerunner of a revolution in the novel Claude Mauriac cultural critic for Le Figaro La Maison de Rendez vous is a funny book a provocation a do it yourself mystery or a fairy tale The New York Times Robbe Grillet is at the top of his form with this fantastic tale Le Monde

Quinquereme, 1985 **Understanding Alain Robbe-Grillet** Roch C. Smith, 2000 Transforming bewilderment into understanding and pleasure while preserving a sense of Robbe Grillet s considerable richness and complexity Smith elucidates the defining elements of the writer s fictional world characters that barely exist changeable narrators plots that defy logic notoriously meticulous descriptions that never quite form a complete story Smith examines Robbe Grillet s embrace of discontinuity circularity indeterminacy and linguistic play Smith also poses questions about how we should view this perplexing writer as an author of hyperobjective novels and short stories a subjective novelist a realist or a writer who undermines the narrative s claim to represent reality In addition Smith evaluates the sado erotic imagery of Robbe Grillet s middle and late novels as a metaphorical play with textual and social conventions

BOOK JACKET *Of Words and the World* David R. Ellison, 1993-03-22 Here David Ellison explores the problems encountered by France s best experimental authors writing between 1956 and 1984 when faced with the question What should my writing be about These years are characterized by the rise of the new novelists who questioned the representational function of writing as they created works of imagination that turned in upon themselves and away from exterior reality It became fashionable at one point to affirm that literature was no longer about the world but uniquely about

the words on a page the signifying surface of the text Ellison tests this assumption showing that even in the most seemingly self referential fictions the words point to the world from which they can never completely separate themselves Through close readings Ellison examines the novels and theoretical writings of authors whose works are fundamental to our perception of contemporary French writing and thought Camus Robbe Grillet Simon Duras Sarraute Blanchot and Beckett The result is a new understanding of the link between the referential function of literary language and the problematic of the ethics of fiction Artful Deceptions Catherine Emerson, Maria C. Scott, 2006 Selected papers from a conference organized at the National University of Ireland Galway in April 2004 *The New Novel in France* Arthur E. Babcock, 1997 Babcock separates the myth from the history of a movement that began in the 1950s and persisted through the 1970s providing a fair and dispassionate account of its chief representatives While Babcock does look at these writers as participants in a movement he does not force a false unity on the group Through an examination of their exemplary novels Babcock gives a balanced view of their common concerns as well as their differences As the nouveau roman reaches its fiftieth year The New Novel in France offers the first major historical study of a literary form that continues to capture scholarly interest and to excite intense debate *Degré second*, 1986 Studies in French literature from the Renaissance to the present Recording for the Blind & Dyslexic, ... Catalog of Books, 1996 **Historical Dictionary of French Literature** John Flower, 2013-01-17 Almost all of us know French literature even if we don't know French because it is probably the second largest and certainly the most translated into English And even if we don't read we would have seen film and television versions think Count of Monte Cristo and even a musical rendition Les Mis So this is a particularly interesting volume in the literature series since it covers French literature from the earliest times to the present It is also a particularly rich literature espousing every genre from poetry to novel to biography to drama and adopting every style including realism and surrealism and expressing the views of all classes and political stands with recently strong feminist and gay strains Obviously the core dictionary section includes among its panoply of often substantial and detailed entries hundreds of authors dozens of significant works the various styles mentioned above and many others events that have impacted literature such as the Dreyfus Affair and the Algerian War and literary prizes The chronology manages to cover about 1 200 years of literary output And the introduction sets it all out neatly from one historical and literary period to the next The bibliography broken down by period and author directs us to further reading in both French and English Complete Works Harold Pinter, 1977 *Braille Books* Library of Congress. National Library Service for the Blind and Physically Handicapped, 1989 Encyclopedia of the Novel Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only from analyzing the particular innovations that

novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world

The Game of Poetics Ruth Ellen Eileen Burke,1984 **Vampires** Jalal Toufic,2003 Cultural Writing Film history and criticism Jalal Toufic is an amazing writer He documents the moves of consciousness in a way that leads the reader ever deeper from impasse to illusion to new impasse turning the trap of what can t be named into a true paradise Richard Foreman Relentlessly uncompromising Toufic s radical and visionary poetics gird the reader to forge ahead into uncharted territory Village Voice Jalal Toufic is one of the best writers in America today and his first 2 books DISTRACTED and VAMPIRES are some of the best writing of the past 20 years John Zorn Film Works IV Jalal Toufic is a teacher film theorist video artist and author of several books His films have been shown worldwide *The Games of Poetics* Ruth E.
