could resist these offerings of the Montgomery Ward catalogue the one book that was read avidly year after year by millions
of Americans on farms and in small towns across the nation The Montgomery Ward catalogue provides one of the few
irrefutably accurate pictures of what life was really like in the gay nineties for it described and illustrated almost anything
that anybody could possibly need or want in the way of store bought goods In fact in that pre department store era it was
usually the only source for such goods Imagine if Montgomery Ward had issued an illustrated catalogue in the days of Louis
XIV or Elizabeth I or Charlemagne what insights would we have into the daily life of the common folk the farmers and
shopkeeper housewives and schoolchildren what sources of information for historians and scholars collectors and dealers
what models for artists and designers In 1895 Montgomery Ward was the oldest largest and most representative mail order
