DICTIONARY Age play the act of an adult pretending to be much younger than they are usually for mutual sexual gratification

Taster I walked around the side of the sports hall my shoes damp from the field the old Victorian house came into view it looked spooky at this time of day late afternoon in the winter could have come straight out of a horror film I clutched my textbooks tighter to my chest and turned into the path that led to the side entrance I tapped the big black lion s head against the back plate Come A voice boomed from inside the house I pushed the door open and stepped into the large old country kitchen Go to my office I ll be there shortly The voice said from the opposite doorway before he disappeared into the shadows I walked around the large kitchen table and out into the corridor and stood for a second looking through the open door opposite me into the headmasters office always an intimidating place Come in dear The soft voice of the headmaster s wife beckoned me even though I couldn t see her I went through and glanced around the room she sat by the huge old fireplace the underside of two or three logs glowing almost white hot flames dancing off their tops not quite long enough to escape up the chimney well that s what it looked like She shook her head at me and looked sad He will not be impressed by your attire dear I already knew that fact but I gave her an oh well look Before she could say anything more he came into the room I could feel a rush of air before he spoke well I say spoke but actually it was just a disapproving grunt He went straight to his big old antique desk I closed my eyes bracing for the onslaught he was old school his office was like a library two of the high walls completely covered in bookshelves full to the brim with thick colourless boring looking books She sat in the big winged red leather chair and looked past me obviously straight at her husband then she glanced at me without turning her head and raised her eyebrows indicating for me to turn I about faced he sat back in that great big green buttoned leather swivel chair the cane on the desk in front of him Without any pleasantries not that I expected them from the head he spoke softly and slowly but menacingly How tall are you girl I m four foot eleven Excuse me He said through pursed lips I m four foot eleven sir I wanted to shout the words at him but they came out all timid as usual Margaret what is the minimum school uniform skirt length for a girl of four foot eleven He looked past me as he asked His wife spoke up like some efficient secretary out of the nineteen fifties Twenty four and one half inches headmaster Twenty four and one half inches he repeated looking at my skirt he leaned forward the big leather chair following as if stuck to his fat ass
