**Strategies for Social Change** Gregory M. Maney, 2012 Examines how strategies within social movements develop and work

NAUGHTY OR NICE Emilie Richards McGee, Rika Kawashima, 2014-12-29 Golden hair and blue eyes He is like a guardian angel who has slipped away from the sanctuary of a church The moment orphanage director Chloe sees Egan who has come to do repair work on the facility her heart begins to stir However her lack of faith in love and hope caused by her sad upbringing keep her heart in check With Christmas approaching Egan offers to play Santa Claus for the children When Chloe vehemently refuses his offer he tells Chloe he will make all her wishes come true He makes one miracle occur after another but what about a miracle for her

**Santa Claus** Letlhokwa George Mpedi, 2020-11-30 The origins of Santa Claus or so I am told is that the young Bishop Nicholas secretly delivered three bags of gold as dowries for three young girls to their indebted father to save them from a life of prostitution Armed with immortality a factory of elves and a fleet of reindeer his has been a lasting legacy inextricably linked to Christmas Of course this Christmas looks a little different Amidst a global pandemic shimmying down the chimneys of strangers certainly does not adhere to social distancing guidelines Some borders remain closed and in some instances the quarantine period is far too long After all he only has 24 hours to spread cheer across the world As with the rest of us Santa Claus is likely to get the remote working treatment The reindeers this year are likely to be self driving reminiscent of an Amazon swarm of technology and the naughty and nice lists are likely to be based on algorithms derived from social media accounts In the age of the fourth industrial revolution it is difficult to imagine that letters suffice anymore How many posts were verified as real before shared Enough to get you a drone Fake news Here is a lump of coal Will we see elves in personal protective equipment PPE and will Santa Claus high risk because of age and his likely comorbidities from the copious amount of cookies have to self isolate in the North Pole In fact will there be any toys at all this year Surely production has been stalled with the restrictions on imports and exports into the North Pole Perhaps there is a view to outsourcing or perhaps there is a shift towards local production and supply chains More importantly as we

have done in many instances in this period maybe we should pause to reflect on the current structures in place The sanctification of a figure so clearly dismissive of the Global South and to be critical quite classist must be called into question From some of the keenest minds the contributions in this book make a strong case against this holly jolly man We traverse important topics such as is the constitution too lenient with a clear intruder who has conveniently branded himself a Good Samaritan Allegations of child labour under the guise of elves blatant animal cruelty constant surveillance in stark contrast to many democratic ideals and his possible threat to national security come to the fore Nevertheless as the song goes he is aware when you are asleep and he knows when you are awake Is feminism a farce to this beloved man what role does Mrs Claus play and why are there inherent gender norms in his toys Then is the worry of closed borders and just how accurate his COVID 19 tests are Of course this brings his ethics into question While there is an agreement that transparency justice and fairness nonmaleficence responsibility and privacy are the core ethical principles the meaning of these principles differs particularly across countries and cultures Why are we subject to Santa Claus notions of good and evil when he is so far removed from our context As Richard Thaler and Cass Sunstein would tell you this is fundamentally a nudge from Santa Claus for children to fit into his ideals A nudge coined by Thaler is a choice that predictably changes people's behaviour without forbidding any options or substantially changing their economic incentives Even with pinched cheeks and an air of holiday cheer Santa Claus has to come under scrutiny In the process of decolonising knowledge and looking at various epistemologies does Santa still make the cut

*Have You Been Naughty or Nice?* Ethan Long, 2009-10-07 Ethan Long author illustrator of *Tickle the Duck Stop Kissing Me* and *Duck's Not Afraid of the Dark* returns with yet another laugh riot novelty book for young children In *Have You Been Naughty or Nice* the duck excitedly awaits a visit from Santa Claus until he eats all of Santa's snacks and realizes he just put himself on the naughty list But never fear because the duck has a clever plan to get himself back on the nice list This fourth book in Ethan Long's duck series features a cloth Santa cap on the cover and a fold out letter to Santa and is filled to the brim with holiday hilarity that will keep kids entertained for hours
