Paul McCartney Philip Norman, 2017-05-04 The first biography written with Paul McCartney's approval and with access to family members and friends closest to him Superbly evoking half a century of popular music and culture Paul McCartney is the definitive life of a long misunderstood genius In this masterly biography history's most successful songwriter a man of seemingly effortless talent beauty and charm is revealed as a complex insecure workaholic who still feels as great a need to prove himself in his seventies as when he was a teenager We learn how his boyhood was blighted by the death of his mother Mary later the inspiration for Let It Be but redeemed by his remarkable father Jim a Liverpool cotton salesman who was his only music teacher and whose influence has permeated his career We understand as never before the creative symbiosis between John Lennon and himself that unlocked the extraordinary treasury of their songs for the Beatles when they were barely into their twenties and the fierce rivalry which lasted beyond the band's break up to the end of John's life and still haunts and inspires Paul to this day Here for the first time is the full story of Paul post Beatles his trauma after being brutally sidelined by John George and Ringo over the appointment of their last manager Allen Klein his near breakdown on his remote Scottish farm and dogged determination to build a new band Wings into as big a name in the 1970s as the Beatles had been in the 1960s Here too is the first inside story of his marriage to Linda Eastman much criticised at the outset but destined to become the longest and strongest in rock until

her death from cancer Here are the traumatic post Linda years when his charmed life seemed temporarily to crack up his whirlwind romance with Heather Mills ending after four years marriage in one of the most expensive and rancorous divorces in British legal history As richly fascinating and dramatic as its subject Paul McCartney The Biography is the last word on a man whose music has lit up the world Teaching the Beatles Paul Jenkins,Hugh Jenkins,2018-05-30 Teaching the Beatles is designed to provide ideas for instructors who teach the music of the Beatles Experienced contributors describe varied approaches to effectively convey the group s characteristics and lasting importance Some of these include treating the Beatles lyrics as poetry their influence on the world of art film fashion and spirituality the group s impact on post war Britain political aspects of the Fab Four Lennon and McCartney s songwriting and musical innovations the band s use of recording technology business aspects of the Beatles career and insights into teaching the Beatles in an online format Penny Laine's Anthology Terry Rowan,2015-03-31 The Beatles reflected the times as they captivated the world over This book has been put together in the hopes of stirring fond memories in a few of those Beatlemaniacs who are as much a part of this story as the four young Beatles were Always updated with new CDs prices and recent information Throughout the years they ve remained in the public eye as much as when they were together This is a story of The Beatles together and their careers through the post Beatle years A comprehensive price guide of all their records together and their solo careers from around the globe Stories never told before whic makes this the Ultimate Beatles Price Guide Updated yearly All You Need is Love
