John Wesley His Life And Thought:

John Wesley Timothy J. Crutcher, 2015-04-01 What people think affects what they do and what people do affects what they think There is no better illustration of this adage than John Wesley the pivotal founder of Methodism For Wesley thinking and living went hand in hand John Wesley His Life and Thought introduces readers to both Wesley s story and his beliefs By neither leaning too much on biography nor focusing solely on theology this book offers a balanced and accessible portrait that couches Wesley s beliefs and ideas firmly within his Life story There are no minutiae or scholarly controversies here This book paints in broad strokes the key events in Wesley s Life that not only influenced his thinking but also his approach to the church the Methodist movement and the society and world beyond For anyone wanting a sound but Lucid introduction to Wesley and his life and work this book should be at the top of the list It doesn t just familiarize the reader with Wesley but paves the way for deeper study Book jacket John Wesley Robert G. Tuttle, Jr., Robert G. Tuttle, 1982-03

John Wesley Prof. Kenneth J. Collins, 2003-06-01 John Wesley A Theological Journey has been nominated for a Wesleyan Theological Society Book Award Abingdon Press would like to congratulate Kenneth Collins on this honor John Wesley remains a seminal figure not only for the people called Methodist but also within the larger Protestant tradition Understanding his theology is a requirement for understanding the development of the Western Christian tradition in the modern period In recent years much work has been done to grasp the intricacies of Wesley s theology However most of this work has been thematic in organization studying Wesley s thought according to a topical or systematic outline The weakness of this approach argues Kenneth J Collins is that it fails to demonstrate the evolution and changes of Wesley s theology What is called for is a historical presentation one that examines the development of Wesley s theology across the span of his long and eventful theological career Collins thus provides a chronological presentation of the development of Wesley s theology Drawing on an extensive examination of the primary sources and demonstrating an intimate knowledge of the different contexts and social locations in which Wesley s theology took place John Wesley A Theological Journey will be necessary reading for anyone wishing to understand the broad scope of the Methodist leader s theological development and contribution
