La Poursuite Les Empreintes Du Communisme:

La Poursuite Patricia Mayer, L histoire Marie est une jeune femme attirante mystérieuse collectionnant apparemment tous les succès Mais elle doit repousser les hommes pour les protéger d'un terrible passé Ces empreintes du communisme qu'elle croyait jamais effacées menacent de nouveau sa vie comme dans un cauchemar Une chasse à l'homme une histoire d'amour entre doute et passions où le passé vient heurter violemment un bonheur naissant sont les ingrédients d'un premier roman où l'auteure brosse un portrait sans concession des débuts tumultueux de la jeune démocratie roumaine Extrait Marie sortit de l'immeuble de Stewart vers cinq heures du matin et se dirigea vers sa voiture Absorbée dans ses pensées essayant de passer en revue l'organisation de la journée elle crut entendre le bruit d'une voiture qui venait juste de freiner violemment côté d'elle Elle eut juste le temps de tourner la tête avant que deux individus ne la saisissent bras le corps et la jettent dans une limousine noire qui démarra aussitôt Marie n'eut même pas le temps de crier encore moins celui de protester ou d'essayer de s'échapper Dans la limousine elle retrouva Marinescu assis à l'arrière ses collègues qui lui lancèrent un regard glacial *Live your dreams!* Cristina Rebiere, Olivier Rebiere, 2016-11-17

How to make your dreams come true Here is a question that tortures many of us since we all want our dreams to come true Isn't it Here is a little book that may help you navigate through the birth to the embodiment of a dream They will show you some tools to make your dreams come true or at least show you that it is possible The birth of this book came unexpectedly and surprisingly I had just published my first book in the Paths to Yourself collection It dealt with a subject that concerns many of us how to build a healthy and lasting relationship of love or friendship I was talking with a friend of this publication He told me that one of his dreams was to write too but in Thai I replied that he can surely fulfill this dream considering that he has been speaking and writing in this language for a long time his wife is from Laos and their language of communication is Thai But it seemed to him a difficult dream to reach To joke I told him I should write a book on How to make one's dreams come true because I have some 25 years of experience in the field and I do not hesitate to do everything possible to realize mine In addition I accomplished almost all the dreams I really wanted There is still one still running but which I will reveal later in this book This friend told me that he would be the first to read this book if I write it one day Putting a dream in to practice And now this new challenge which I think will help others embody their dreams or at least part of them has led my brain to think almost without even wanting to about a possible structure of this book Barely two days passed after I had had this conversation with my friend and I was already writing it So check out this little FREE guide to help you make your dreams come true *Travel eGuide: Prague & its region* Cristina Rebiere, Olivier Rebiere, 2016-11-24
