It tells the complete story of the 2012 Games from inception through the successful bidding process and the planning and preparation phase to delivery, the post Games period and legacy. Written by a world class team of international Olympic scholars, the book offers critical analysis of the social, cultural, political, historical, economic and sporting context of the Games. The book is divided into two volumes. Volume Two, Celebrating the Games, examines the period of competition and immediately afterwards, covering key topics such as London welcomes the world, hospitality and the look of the games, Experiencing the games, spectators, tourists, volunteers, shoppers, viewers, Media and communications, Running the games, Creating Olympic celebrities, Protesting the games, Commerce, retail and consumption, Documenting London 2012 in films and books, The legacy of the 2012 Games for London, the UK and the Olympic Movement. THE FRESHLY SINGLE MAN'S GUIDE TO HOUSEHOLD SURVIVAL Jeff Bruner, 2014-02-20 Some men are single by choice, others end up single through little to no choice of their own. Many of these divorced men and widowers find themselves overwhelmed by the multitude of new tasks at hand, from doing laundry to raising children on their own. Jeff Bruner lost his wife of 25 years suddenly to cancer and soon found himself spending most of the day paying bills or hours wandering around the grocery store not even knowing what he needed. Through trial and error, he learned how to perform the many tasks that his wife had done for years, and he has written this extremely helpful guide for freshly single men that covers everything from cooking to cleaning to combing cat fur. The Freshly Single Man's Guide to Household Survival might become the new Bible for the millions of suddenly single men in our society.
