Human Interaction, Emerging Technologies and Future Applications II Tareq Ahram, Redha Taiar, Vincent Gremaux-Bader, Kamiar Aminian, 2020-04-02 This book reports on research and developments in human technology interaction. A special emphasis is given to human computer interaction and its implementation for a wide range of purposes such as healthcare, aerospace, telecommunication and education among others. The human aspects are analyzed in detail. Timely studies on human centered design, wearable technologies, social and affective computing, augmented virtual and mixed reality, simulation, human rehabilitation and biomechanics represent the core of the book. Emerging technology applications in business, security and infrastructure are also critically examined, thus offering a timely, scientifically grounded but also professionally oriented snapshot of the current state of the field. The book is based on contributions presented at the 2nd International Conference on Human Interaction and Emerging Technologies Future Applications (IHET AI 2020) held on April 23-25 in Lausanne, Switzerland. It offers a timely survey and a practice oriented reference guide to researchers and professionals dealing with design and/or management of the new generation of service systems. **Journey After 10+2** Ridhima Patni Jain, 2017-07-11 The most awaited period of stepping out into college life is almost in front of you now. The choices that you make here will largely affect your entire future and life in general. So while one is readying oneself for life after twelfth, the dilemma about which college to choose and which course to choose from the wide array of career streams available after twelfth also increases. This underscores the need for exploring the various career options available and their suitability with reference to the following: Learning about you, Identifying your skills, Knowing your weakness, Utilizing your talents, Your career dreams. **Career Calling** Publications Division, This book is a compilation of articles published in Employment News with focus on new and upcoming career avenues.
