Dargan,2006-06-27 This book a milestone in American music scholarship is the first to take a close look at an important and little studied component of African American music one that has roots in Europe but was adapted by African American congregations and went on to have a profound influence on music of all kinds from gospel to soul to jazz Lining out also called Dr Watts hymn singing refers to hymns sung to a limited selection of familiar tunes intoned a line at a time by a leader and taken up in turn by the congregation From its origins in seventeenth century England to the current practice of lining out among some Baptist congregations in the American South today William Dargan s study illuminates a unique American music genre in a richly textured narrative that stretches from Isaac Watts to Aretha Franklin and Ornette Coleman Lining Out the Word traces the history of lining out from the time of slavery when African American slaves adapted the practice for their own uses blending it with other music such as work songs Dargan explores the role of lining out in worship and pursues the cultural implications of this practice far beyond the limits of the church showing how African Americans wove African and European elements together to produce a powerful and unique cultural idiom Drawing from an extraordinary range of sources including his own fieldwork and oral sources Dargan offers a compelling new perspective on the emergence of African American music in the United States Copub Center for Black Music Research      **Storms!** Reverend Anthony Kelley,2024-05-21 This book is designed to inspire encourage and remind its readers Christian workers laypersons missionaries evangelists and pastors and teachers that it is within this time of challenges conspiracies

**God Still Works Miracles** S. Yvonne Hall,2020-10-23 God Still Works Miracles is a series of sermons intended to inspire and encourage readers that God is still working miracles today We may not see the literal miraculous parting of the Red Sea but today God will figuratively part Red Seas of difficulty and adversity and allow one to cross over into blessing and peace We may not see a woman s minuscule amount of oil miraculously becoming an unlimited amount of oil but today God will miraculously multiply that which we have and supply all needs according to His riches in glory by Christ Jesus These sermons will remind the reader that what God did before He can and will do again according to His will God has not changed and He is still able to do exceedingly abundantly above all that we ask or think according to the power that works in us Ephesians 3 20
