National Mini Owners Club:

New Mini Martyn Collins, Peter Collins, 2012 Having this book in your pocket is just like having a real marque expert by your side Benefit from the author's years of Mini ownership learn how to spot a bad car quickly and how to assess a promising one like a professional Get the right car at the right price **Classic Mini Specials and Moke** Keith

Mainland, 2015-07-31 Produced from 1959 until 2000 the classic Mini is loved by millions of owners previous owners and enthusiasts The Mini's creator Alec Issigonis was given a free hand to make a proper small car and his innovative design not only redefined the family car but also started a revolution as a performance car Classic Mini Specials and Moke explores the diverse range of vehicles that used the Mini shape as well as the only variation actually designed by Alec Issigonis the Mini Moke In addition to the famous race and rally cars coachbuilt conversions and highly modified saloons and commercials Keith Mainland looks at overseas Mini and Moke production and the many factory produced limited edition Minis There is also advice about buying and owning your own special Mini The Girls' Car Handbook Maria McCarthy, 2009-08-20 There are 15 million women drivers in the UK yet so often they can feel at a disadvantage when it comes to dealing with the male dominated motor industry The solution has generally been seen as to call upon a male partner or family member for help However many women don't have a car savvy bloke easily to hand and would prefer to be more independent anyway This is where The Girls Car Handbook comes in A vital reference book it is packed with useful information designed to give women greater confidence when tackling every aspect of motoring from getting a good deal when buying a car personal safety when driving handling accidents and breakdowns tips for greener motoring and much much more *British Leyland* James Taylor, 2018-03-26 In 1968 British Leyland brought together many of Britain's motor manufacturers with the intention of creating a robust unified group that could equal the strength of the big European conglomerates But this was not to be There have been many books about the politics and the business activities of British Leyland but British Leyland The Cars 1968 1986 looks exclusively at the cars that came from the company both the models it inherited and those it created The eighteen years of the corporation's existence saw a confusing multitude of different car types but this book resolves these confusions clarifying who built what and when The book takes 1986 as its cut off point because this was the year that the old British Leyland ceased to exist and what was left of the car and light commercial business was renamed the Rover Group The book includes Production histories and technical specifications of every major model The special overseas models Appendices on engines code names and factories Buying guidance on the models built in Britain This is the most comprehensive book so far to focus on the cars from British Leyland between 1968 1986 and it provides an overview of each model's production history together with essential specification details It is profusely illustrated with 178 colour and 63 b/w photographs
