scholarship including risk regulation internal market law public administration and studies of governance and regulation as well as connecting these themes to broader debates about the legitimacy of European integration and new ways of differentiated integration As a result it assists in re imagining the EU internal market and its regulation as a site of diversity

Vietnam and the South China Sea Do Thanh Hai,2016-12-01 Studies of the escalating tensions and competing claims in the South China Sea overwhelmingly focus on China and its increasingly assertive approach while the position of the other claimants is overlooked This book focuses on the attitude of Vietnam towards the South China Sea dispute It examines the position from a historical perspective shows how Vietnam s position is affected by its wish to maintain good relations with China on a range of issues and outlines how Vietnam has occasionally made overtures to both the United States and Japan in order to bolster its position and considered the possibility so far resisted of taking China to formal arbitration under the auspices of the United Nations Convention on the Law of the Sea The book concludes by assessing the future prospects for Vietnam s position in the dispute

**Algeria** Michael J. Willis,2022-12-15 When mass protests erupted in Algeria in 2019 on a scale unseen anywhere in the region since the Arab Spring the outside world was taken by surprise Algeria had been largely unaffected by the turmoil that engulfed its neighbors in 2011 and it was widely assumed that the population was too traumatized and cowed by the country s bloody civil war to take to the streets demanding change Michael J Willis offers an explanation of this unexpected development known as the Hirak Movement examining the political and social changes that have occurred in Algeria since the dark decade of the 1990s He examines how the bitter civil conflict was brought to an end and how a fresh political order was established following the 1999 election of a dynamic new leader Abdelaziz Bouteflika Initially underwritten by revenue from Algeria s substantial hydrocarbons resources this new order came to be undermined by falling oil prices an ailing president and a population determined to have its voice heard by an increasingly corrupt out of touch and opaque national leadership Exactly twenty years passed before Bouteflika s presidency was brought to an end by the Hirak protests this book is an authoritative account of them
