Vedic Astrology Practitioner Manual (Fifth Edition) Gaurish Borkar, 2017-01-29 As a student of Vedic Astrology one of the challenges that I faced was to study classical texts We have so much data and every text has some exceptional content Most of the translators did not get a chance to validate the principles mentioned in the texts and due to this the accuracy of translation was reduced Over the period I also felt that novice students of Astrology could progress faster if they get validated knowledge This is also good for the development of Vedic Astrology Therefore I decided to publish my notes from various classical texts as a manual This book consists of my notes from Brihat Parashari Hora BrihatJatak Brihat Samhita Jataka Bharanam Faladeepika Saravali Bhavartha Ratnakar Muhurta Chintamani and Vishwakarmaprakash It is a good reference book for a novice student of Vedic Astrology Welcome Address to the A.I.C.C. and Guntur District Manual
