Karma

K. T. Fisher,2015-07-18 Lauren doesn't know why she is such a bitch but she is. She believes in being who you are and fuck those who don't like it. Her ex is pissed and she soon realises the hard way that she never should have betrayed him. Yet pretty boy Andrew isn't as innocent as she thought. In fact it turns out he's connected to one of the biggest gangs in America. Lauren is beaten and abused in every way possible. Her human rights are stripped and she is treated like an animal. Blindfolded and gagged Lauren has no idea what is going to become of her or if she will ever get out of the mess she has found herself in. Karma has finally caught up with Lauren Ashford but is this the end or can someone out there help her? Are there men strong enough or even brave enough to face up to her captors? When the Philadelphia Kings of Rebellion charter come crashing into her kidnappers' motorcycle club's cabin they find a beautiful girl chained up to a wall and made to live like a dog on the hard floor. From here Lauren is given the greatest gift: To go home. Once back in the UK Lauren is under the protection of the UK Kings of Rebellion MC and is shocked to find that even though they are dangerous they treat her so much better. Here she meets Grim, the oldest son of the president. He's covered in tattoos, drives a bike, likes to dress in leather and loves to protect her. Is this the man that Lauren needs? Or do her old habits of being a do-now-think-later kind of bitch come back to bite her in the ass? One thing is for certain: Demon, the president of the motorcycle club who took her, wants her back.

**Envy** K. T. Fisher,2016-01-17 When you're finally free and living life the way you should, you don't take it for granted and Lauren and Natasha certainly don't. After the dreadful kidnapping they now live happy amongst the Kings of Rebellion MC, their new found family. However, certain people don't like that they are now free and not spending the nights in their beds. A plan comes together and it's the innocent that always gets hurt. When the Devil's come to claim what they think is theirs, can the girls escape them with the help of their men or will they live at the hands of the Devil's for the rest of their existence because a life at the hands of a Devil is no life at all. Find out in *Envy*.
