Handbook of Military and Defense Operations Research Natalie M. Scala, James P. Howard, II, 2024-08-21 Tracing its roots back to World War II operations research OR has become a vital tool in military and defense strategy The second edition of the Handbook of Military and Defense Operations Research highlights this evolution showcasing how OR integrates with cutting edge areas like artificial intelligence cybersecurity and big data analytics This volume is more than a historical account it is a practical guide The volume features expert voices and offers insights into OR applications in modern security challenges Readers will discover a blend of theory and real world case studies making it an essential resource for both newcomers and seasoned defense analysis professionals Dive into this handbook to explore the rich dynamic field of military and defense operations research a discipline at the heart of global security and strategic decision making New to the second edition Reorganized into a three part structure Extensive revisions throughout Numerous new exercises examples and case studies Several new chapters

Transnational Land Grabs and Restitution in an Age of the (De-)Militarised New Scramble for Africa: A Pan African Socio-Legal V. Warikandwa, Artwell Nhemachena, 2017-09-26 One of the fundamental challenges in deconstructing rethinking and remaking the world from a Pan African vantage point is that some captives have tended to delight in the warmth of the imperial predators mouth In other words some captives forget that the imperial predators mouth gets warm because empire is eating and heating up from prey on the continent De Militarisation Transnational Land Grabs and Restitution in an Age of the New Scramble for Africa A Pan African Socio Legal Perspective is a book that knocks on key aspects relating to land militarisation a PostAfrican World Order and a chaotic Post God World Order which require critical scholarly and policy attention in the quest to free Africa from centuries old imperial depredations The book carefully navigates the imperial entrapments which are designed to focus African attention only on decolonising African minds without also engaging in the imperially more unsettling decolonisation of African materialities

Army & Navy Academy Alexander Mui, 2017-05-08 Once a staple of American society military schools are a dying breed with fewer than thirty remaining Historically most military academies existed in the South and along the East Coast However Colonel Thomas A Davis pushed this tradition westward when he founded the San Diego Army and Navy Academy in 1910 Davis pioneered a novel education and leadership training structure for young men that predated the Boy Scouts and JROTC Program From this single institution sprang the Brown Military Academy Davis Military Academy San Diego Military Academy and more Author Alexander Mui chronicles the endurance of this revered academy through countless trials wars economic depressions and the nationwide military school decline until it remained the last traditional military academy west of the Rocky Mountains
