Military Intake 2016:

Propaganda and Public Relations in Military Recruitment Brendan Maartens, Thomas Bivins, 2020-11-19 This book represents the first international investigation of military recruitment advertising public relations and propaganda Comprised of eleven case studies that explore mobilisation work in Africa the Americas Asia and Europe it covers more than a hundred years of recent history with chapters on the First and Second World Wars the Cold War and the present day The book explores such promotion in countries both large and small and in times of both war and peace with readers gaining an insight into the different strategies and tactics used to motivate men women and occasionally even children to serve and fight in many parts of the world Readers will also learn about the crucial but little known role of commercial advertising public relations and media professionals in the production and distribution of recruitment promotion This book the first of its kind to be published will explore that role and in the process address two questions that are central to studies of media and conflict how do militaries encourage civilians to join up and are they successful in doing so It is a multi disciplinary project intended for a diverse academic audience including postgraduate students exploring aspects of war propaganda and public opinion and researchers working across the domains of history communications studies conflict studies psychology and philosophy

Women and the Military Ruth Margolies Beitler, Sarah M. Gerstein, 2021-04-07 This addition to the Women and Society around the World series explores the roles challenges and accomplishments of women in the military in countries across the globe Around the world millions of men serve in their countries militaries be it on land on the seas or in the air But while many militaries have opened all positions to women even those on the front lines others remain closed Countries have cited a number of reasons for their policies including changing views of women and the military conscription and economic and demographic trends Written by a professor of comparative politics at the United States Military Academy at West Point and an active duty army major this book seeks to provide an understanding of women s roles in militaries around the world The book is organized by region exploring societal and cultural views of masculinity and war as well as factors influencing changing views of women and the military including conscription and economic and demographic trends Topics also include sexual harassment recruitment and views on women s physicality and strength High school students undergraduates and general readers will find this cross cultural study a fascinating and important resource

Research Handbook on Child Soldiers Mark A. Drumbl, Jastine C. Barrett, 2019 Child soldiers remain poorly understood and inadequately protected despite significant media attention and many policy initiatives This Research Handbook aims to redress this troubling gap It offers a reflective fresh and nuanced review of the complex issue of child soldiering The Handbook brings together scholars from six continents diverse experiences and a broad range of disciplines Along the way it unpacks the life cycle of youth and militarization from recruitment to demobilization to return to civilian life The overarching aim of the Handbook is to render the invisible visible the contributions map the unmapped and chart new directions Challenging prevailing assumptions and

conceptions the Research Handbook on Child Soldiers focuses on adversity but also capacity emphasising the resilience humanity and potentiality of children affected rather than afflicted by armed conflict "Code of Massachusetts regulations, 2016" ,2016 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020 **Performance in a Militarized Culture** Sara Brady,Lindsey Mantoan,2017-09-13 The long cultural moment that arose in the wake of 9 11 and the conflict in the Middle East has fostered a global wave of surveillance and counterinsurgency Performance in a Militarized Culture explores the ways in which we experience this new status quo Addressing the most commonplace of everyday interactions from mobile phone calls to traffic cameras this edited collection considers How militarization appropriates and deploys performance techniques How performing arts practices can confront militarization The long and complex history of militarization How the war on terror has transformed into a values system that prioritizes the military The ways in which performance can be used to secure and maintain power across social strata Performance in a Militarized Culture draws on performances from North Central and South America Europe the Middle East and Asia to chronicle a range of experience from those who live under a daily threat of terrorism to others who live with a distant imagined fear of such danger **The Military Engineer; Journal of the Society of American Military Engineers** ,1927 *The Military Engineer* ,1928 Directory of members constitution and by laws of the Society of American Military Engineers 1935 inserted in v 27 **The General Statutes of Connecticut** Connecticut,2019 **Hydrogeologic Studies, Dredging Disposal Areas 2 and 5, Military Ocean Terminal, Sunny Point, North Carolina** James D.
