Military Intake 2014:

China's Military Power Roger Cliff, 2015-09-15 This book provides a comprehensive assessment of China's military capabilities in 2000 and 2010 with projections for 2020 Recognizing that military power encompasses more than weaponry it develops an original empirical framework for measuring militaries that also includes doctrine training and organizational structure "Code of Massachusetts regulations, 2014" ,2014 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020

Children, Young People and Critical Geopolitics Matthew C. Benwell, Peter Hopkins, 2017-05-15 Young people and in particular children have typically been marginalised in geopolitical research positioned as too young to understand or relate to the adult dominated world of international relations Integrating current debates in critical geopolitics and political geography with research in children's geographies childhood studies and youth research this book sets out an agenda for the field of children's and young people's critical geopolitics It considers diverse practices such as play activism media consumption and diplomacy to show how children's and young people's lives relate to wider regional and global geopolitical processes Engaging with contemporary concepts in human geography including ludic geopolitics affect emotional geographies intergenerationality creative diplomacy popular geopolitics and citizenship the authors draw on geopolitical research with children and young people from Europe Asia Australasia Africa and the Americas The chapters highlight the ways in which young people can be enrolled ignored dismissed empowered and represented by the state for geopolitical ends Notwithstanding this state power the research presented also shows how young people have agency and make decisions about their lives which are influenced by wider geopolitical processes The focus on the lives of children and young people problematises and extends what it is we think of when considering the geopolitical which enriches as well as advances critical geopolitical enquiry and deserves to be taken seriously by political geographies more broadly
