

# My First Love

This is a story about the first year of my relationship with the girl I love.

I suppose it starts back in July 2017. She was dating my best friend at the time, they were in a relationship for a few weeks and it ended on bad terms. While they were dating I had only seen her one time, I didn't really say much to her as I am a very shy and socially awkward person. I think I managed to get a few hellos out but nothing more than that.

The South African Short Story in English, 1920-2010 Marta Fossati, 2024-09-05 Through detailed close readings alongside investigations into the history of print culture Marta Fossati traces the development of the South African short story in English from the late 1920s to the first decade of the twenty first century She examines a selection of short stories by important Black South African writers Rolfes and Herbert Dhlomo Peter Abrahams Can Themba Alex La Guma Mtutuzeli Matshoba Ahmed Essop and Zo Wicomb with an alertness to the dialogue between ethics and aesthetics performed by these texts This new history of Black short fiction problematises and interrogates the often polarised readings of Black literature in South Africa that can be torn between notions of literariness protest and journalism Due to material constraints short fiction in South Africa circulated first and foremost through local print media which Fossati analyses in detail to show the cross fertilisation between journalism and the short story While rooted in the South African context the short stories considered also hold a translocal dimension allowing us to explore the ethical and aesthetic practice of intertextuality These are writings that complicate the aesthetics ethics binary generic classifications and the categories of the literary and the political Theoretically eclectic in its approach although largely underpinned by a narratological analysis The South African Short Story in English 1920 2010 When Aesthetics Meets Ethics offers a fresh perspective on the South African short story in English spotlighting several hitherto marginalised figures in South African literary studies
