**Bon Appétit** ,1995-07      **Spring Rolls Recipes** Ann Sullivan,2017-05-11 I am a huge fan of Spring Rolls I try them at every restaurant that has them on the menu when I go out to eat I had no idea how many different ways there were to make Spring Rolls Would you happen to have any recipes I could try at home Spring Rolls are one of my favorite things to make They may be a little time consuming to make from scratch but they re a great way to get the family together for meal prep and it allows everyone to spend a bit of time reconnecting Spring Rolls also make a great appetizer so if you re having a family get together or hosting friends over the weekend they may be something you want to put on your menu A few of my favorite Spring Roll recipes include the Mango Spring Rolls Lumpia in Spring Roll Wrappers Japanese Spring Rolls Cha Gio Chay Phenom Pehn Spring Rolls and Greek Spring Rolls just to name a few The Peanut Dipping Sauce for Vietnamese Spring Rolls goes well with several of these recipes too Enjoy and don t forget to write in and let me know what you thought of these recipes I d also like to hear what you would like to see in the near future Bon Appetit Ann Sullivan      Fresh and Crispy Isabella T Monroe,2024-12-05 When it comes to comfort food nothing quite hits the spot like crispy homemade spring rolls and egg rolls I remember the first time I tried making them at home it was a rainy Saturday afternoon and I was craving something crunchy and flavorful After a bit of experimentation in the kitchen I discovered that not only are they delicious but they also offer endless possibilities for fillings Let s start with the basics the spring roll wrapper You can easily find these at your local grocery store usually in the Asian food aisle I recommend using rice paper for spring rolls because they re light and give that perfect crunch when fried For egg rolls the thicker wheat wrappers are ideal providing a sturdier bite that holds up to hearty fillings Crispy Homemade Spring Rolls To make spring rolls I typically whip up a filling with shredded carrots cabbage and some finely chopped mushrooms Sometimes I throw in a handful of shrimp or chicken for protein The key is to season the filling well with soy sauce garlic and a hint of ginger After mixing everything I take a wrapper place a spoonful of the filling inside and roll it up tightly tucking in the sides to keep everything secure Once they re all wrapped up I

heat some oil in a pan until it s shimmering careful not to let it smoke Then I fry them until they re golden brown and crispy The aroma that fills the kitchen is simply irresistible Creative Egg Roll Fillings Egg rolls on the other hand are where you can really let your creativity shine I ve experimented with various fillings and some of my favorites include 1 Buffalo Chicken Shredded chicken mixed with buffalo sauce and cream cheese It s like a spicy twist on a classic 2 Tex Mex A mixture of seasoned ground beef black beans corn and cheese It s a fun fusion that always gets compliments 3 Veggie Delight For a lighter option I ve made a filling with zucchini bell peppers and a sprinkle of feta cheese It s fresh and vibrant 4 Sweet and Sour Pork Diced pork tossed in a sweet and tangy sauce with pineapple chunks This one is a crowd pleaser for sure Cooking Together I ve found that making these treats is even more enjoyable when I involve friends It becomes a fun cooking session where we can share stories and laughter while rolling up our creations Plus everyone gets to personalize their own rolls which adds an element of excitement Final Thoughts The beauty of making spring rolls and egg rolls at home is the ability to customize them to your liking Whether you prefer classic flavors or adventurous combinations there s no wrong way to do it The crispy exterior paired with whatever filling you choose is bound to impress anyone who takes a bite So next time you re looking for a fun cooking project gather some friends put on your favorite playlist and dive into the world of homemade spring rolls and egg rolls Trust me your taste buds will thank you
