Shaw Jr.,2015-02-11 We have lost our way Many people struggle to find not just who they are but where they're going Today the choices are seemingly endless and vast making the discovery of one's purpose more confusing and difficult Or so it may seem Men and women are able to choose from so much more of what the world can offer As a result people often find that what they choose may be practical but not fulfilling We often choose what will bring us the most income and financial rewards which is indeed important but often at the expense of our passions and dreams if we even know what our passions and dreams are People are seeking happiness when what they really want is peace and contentment Happiness is circumstantial and fleeting Peace and contentment are sustainable and are developed through meeting our core longing for purpose Codes of relativism and situational ethics have especially clouded our sense of purpose Yet there is an answer for us to return to our true sense of purpose With standards comes a strong stable sense of direction The more we distance ourselves from God the less we know ourselves and the more confused we are The reason for our existence as God has designed is directly tied to our purpose Come and explore and let the truth set you free **The Developing Person Through the Life Span** Richard Otto Straub,Kathleen Stassen Berger,Joan Winer Brown,1994 *Developing Person Through the Life Span 10e & Achieve Read & Practice for Developing Person Through the Life Span (Six-Months Access)* [With Access Cod Kathleen Stassen Berger,2018-08-09 With Kathleen Stassen Berger's always contemporary always compelling textbook students learn to see how the basic ideas of developmental psychology apply to their own lives the lives of those around them and the lives of others of all life stages and in cultures all around the world Berger's narrative voice wide ranging cultural perspective and focus on universal themes captivate students from the outset helping them grasp the important theoretical and scientific work driving the field of developmental psychology today *Subject Guide to Books in Print* ,1997 **The Developing Person Through the Life Span** Kathleen Berger,2017-01-02 Kathleen Berger's acclaimed survey of developmental psychology across the life span is always up to date always inclusive of cultures from every corner of the globe and always compelling in the way it shows students the everyday relevance of field's theories ideas and discoveries With its new edition the text becomes a more deeply integrated text media resource than ever with the book and its dedicated version of LaunchPad combining seamlessly to enhance the learning experience But driving that experience as always is the clear engaging voice of Kathleen Berger revealing the connections between the study of development across all stages of life and the lives that students actually live The book can also be purchased with the breakthrough online resource
