Kids Bible Lessons On Jesus Super Hero:

Joseph--God's Superhero Kay Arthur, Janna Arndt, 2002-03-01 The Discover 4 Yourself Bible Studies series for kids ages 9-12 combines a serious commitment to Bible study with fun and memorable games, puzzles, and activities to reinforce biblical truth. Each study is divided into daily lessons built around an in-depth inductive study of a book or character of the Bible. Any young person who works through these studies will emerge with a richer appreciation of the Word of God and a deeper understanding of God's love and care for them. Joseph, God's Superhero, teaches children an extraordinary truth: God chooses ordinary people to become his super heroes. In the first of three characters studies in the Discover 4 Yourself series, kids will watch Joseph as he grows through some pretty amazing struggles. What would it be like to be sold as a slave and shipped off to another country by your own brothers? Later when Joseph meets up with his betraying brothers, will he take revenge? When he's thrown into prison for something he didn't do, how will he handle the unfairness? When he's second only to Pharaoh as the ruler of Egypt, will success go to his head? Joseph had to deal with a life of ups and down, and God taught him how to handle them all. Now it's our turn to learn.

Noah's Park Children's Church Leader's Guide, Red Edition, 2007 The crafts in this book coordinate with each lesson in the Noah's Park Leader's Guide. Each craft activity is designed to help reinforce the Bible story the children have heard and participated in during the lesson. The craft is also designed to help the children and their parents extend the learning even further by linking it to activities they can do at home during the following week. Each craft activity in the book has a list of supplies which should be obtained prior to the session.

A Sneak Peek into the Future Kay Arthur, Janna Arndt, 2007-03-01 Young adventurers can join the dynamic Bible detectives Max, Molly, and Beagle Sam for the quest of a lifetime. The team continues the exciting exploration of the book of Revelation they started in Bible Prophecy for Kids and presents clever word studies and activities to unveil the amazing wonders of Revelation's chapters 8-22, including how the ultimate victory takes place, what kids today can know about new Jerusalem, why the ending of the Bible is just the beginning, ways to truly worship God, what it takes to be a strong witness. Fun stories and lots of action create a child-friendly study of end times, ideal for Sunday school classes, Bible studies, and independent study. The exciting Discover 4 Yourself Inductive Bible Studies series invites children to solve great mysteries about God's Word using the inductive study method and the power of a fun story.

Teach Me Your Ways Kay Arthur, 2002-06-15 The Pentateuch provides an intimate knowledge of God and His incomparable ways. Observing His relationship with His chosen people Israel gives the reader fresh insight into how, through Christ, he or she can live today.
