Murder at Fords Theatre is a history of an assassination with the Civil War as its tragic backdrop and with characters to match this tragedy There was Lewis Paine the devoted follower and David Herold who wanted desperately to belong and lose his reputation as an untrustworthy loafer There are tragic failures of Mary Surratt and Dr Samuel Mudd as well as Abraham Lincoln unappreciated by the public until his martyrdom Lincoln refused security and put himself in harms way Harm came in the form of John Wilkes Booth an acclaimed actor who wanted to save his beloved South and believed there was only one way to accomplish his goal Booth had grown up with his own demons depression and odd behavior were part of his family background His darker side was hate When the war broke out Booth took up the southern cause the rest of the family sided with the North Lincoln was a perfect object for Booths hatred He suspended Habeas Corpus put many anti war advocates in jail continued the war with its grisly pile of human deaths refused to negotiate a treaty and wrote Emancipation Proclamation Booth who had spent the war in a noncombat position at the behest of his mother received news of the end of the war with increased anger Soon it would be too late to become a hero His hasty and disorganized plan to assassinate Lincoln went awry Booth did shoot Lincoln but during his escape he broke his ankle an injury that slowed him and led to his capture and death Only the Bible has been written about more than the Civil War and the assassination of Lincoln is a part of that story This is that story

shooting America's most famous manhunt commenced which itself became the stuff of legends After the shooting during which it is believed he broke his leg Booth fled south on horseback with authorities hot on his tail 12 days later while he was at a farm in rural northern Virginia Booth was tracked down and shot by Boston Corbett a Union soldier who acted against orders Eight others were tried for their alleged involvement in the plot and convicted and four were hanged shortly thereafter as a result of some of the nation's most famous trials Decisive Moments in History The Assassination of Abraham Lincoln and the Manhunt for John Wilkes Booth covers the origins of Booth's plot the assassination and the eventual capture and killing of Booth while assessing the aftermath and analyzing the what ifs Along with pictures of the important people and places you will learn about the Lincoln assassination and the manhunt for Booth like you never have before in no time at all

volume collated the testimony by defendant indexed it by name and date and added summaries In The Trial assassination scholars guide readers through all 421 pages of testimony illuminating Pitman s record By drawing together the evidence that resulted in the conspirators convictions The Trial leaves no doubt as to the events surrounding the assassination of Abraham Lincoln making this book a fascinating account of the trial as well as an essential resource Steers s lineup is truly expert readers will be able to distinguish between fact and fancy and come away with a far better understanding of Lincoln s assassination William Hanchett author of The Lincoln Murder Conspiracies **The Assassination of Abraham Lincoln** Carl R. Boyd, 2011-12-07 The assassination of Abraham Lincoln changed the course of American history Every school child knows that President Lincoln was shot by John Wilkes Booth an actor at Fords Theater But it seems no one is taught that this assassination was a true conspiracy The initial plan of Booth and his co conspirators was to kidnap Lincoln but the plan was then changed to the simultaneous murder of the President Vice President and Secretary of State Few people know that eight people were tried by the United States government found guilty and four of them were subsequently executed for conspiring to assassinate the President of the United States Dr Boyd tells the story of a nation struggling over the question of slavery Lincolns election the major events of the Civil War and the conspiracy to assassinate one of the most beloved Presidents of the United States Much more a narrative than an historical treatise his concise style and the incredible story illustrated with images of the people involved captivate readers from start to finish Every American who reads this book will be surprised by what their teachers did not reveal about Lincolns assassination The book is a must read for those interested in the Civil War and for anyone who admires Abraham Lincoln
