THE 1990s saw a resurgence of interest in the role of the state in the economy. This was partly a reaction to the failure of the free market to solve the problems of the environment, social inequality, and the distribution of income. The state was seen as a necessary actor in the economy, and its role was expanded in many areas.

Special Groups of Members: The Society provides recognized special members: a special government for those unable to pay other dues for reasons of poverty or the expense of foreign travel during their absence; long-term professionals with an all-around or professional government affiliation; 20-hour or government (United Nations) New Year, Birthday, Christmas, and Anniversary Award recipients; and those awarded an honorary citizenship or an honorary membership in the Society for services to the Society.
