European Law Mark Dawson,2011-10-27 The development of non binding new governance methods has challenged the
traditional ideals of EU law by suggesting that soft norms and executive networks may provide a viable alternative Rather
than see law and new governance as oppositional projects Mark Dawson argues that new governance can be seen as an
example of legal transformation in which soft norms and hard law institutions begin to cohabit and interact He charts this
transformation by analysing the Open Method of Coordination OMC for Social Inclusion and Protection While this process
illustrates some of the concrete advantages for EU social policy which new governance has brought it also illustrates their
extensive legitimacy challenges Methods like the OMC have both excluded traditional institutions such as Courts and
Parliaments and altered the boundaries of domestic constitutional frameworks The book concludes with some practical
suggestions for how a political constitutionalisation of new governance could look **The Guide to High-performance**
