**Minecraft Hnadbook** Robert Redstone,James Calvin,2019-11-04 Have you ever wanted to be the greatest Minecraft player in the world Possibly you are playing Minecraft and all of your friends are laughing at your builds Is it possible you just want a quick shortcut to success and greatness in the world of the craft Are you tired of being blown up by creepers Do you stay awake at night looking out your window as skeletons and zombies as they rule the dark hours Are you afraid to go down deep into the mines where all those monsters truly are mean Do you know that your mud hut is constructed with the whims and look of a child Don t you just want to get over all of that and become a super Minecrafter Well look no further We have exactly what you are looking for in your gaming experience All of this and more is contained within these pages Amaze and astound your friends and family by showering them with diamonds Oh yes diamonds within one hour of starting the game If you don t die first Are your builds boring and flat Well look no further We are totally

going to turn your builds around In fact we are going to make them so astounding your friends will want to contract you to build their structures for them Have no clue what Redstone is We do And guess what We have a way that you will look great using Redstone by doing a simple door trick that looks super professional and yet requires no understanding of how Redstone works Does your mom or dad play Give them the greatest enchanted sword in the game No joke learn how to enchant like an insane magician by manipulation of enchanting and learning how to level really fast So push aside your old controller and pick up these new ideas Does all this appeal to you and more Wait there is more Do you find that you are lost in the field of Minecraft Do you want to generate weapons and equipment that will make everyone on your server love and respect you Then buy this book It will change your life one Minecraft block at a time And if it does not then buy this book anyway For it will change your life in the world of Minecraft maybe even in the real world as well Throw all other Minecraft books into the trash because this is the only book you will need Well technically you may still need the internet And there are a few decent books out there on Redstone that are more technical But wait This book is a compilation of over thirteen years of solid Minecraft play We are talking about experience from back when Minecraft was in version 2 Of course we have not written a book that is that old We wrote a book that will compete and blow away the new players on the block Get it Block Minecraft is blocks So be a blockhead Mine your life away And if you want to see the greatest and fastest way to diamond ever conceived in the game of Minecraft look no further This book goes into your collection for it will change your life Forever Or at least until the next version of Minecraft comes out
