New tips on the best food, shopping, and nightlife you'll experience along the way. Don't waste your valuable two-wheeled vacation. [Save for Fireflies](#) Nathaniel Missildine, 2011-12-29 In 2008, after years living abroad, the author returned to his native United States with his wife and two young daughters to drive a full loop around the country. His travel memoir of the experience traces the rediscovery of home as a tourist with no fixed address and no planned destination. Covering 12,000 miles through 32 states, the book offers an accelerated take on the life of a new family as well as the story of a country that may have undergone a greater shift than the traveler who has returned to pay witness to its resilience and splendor. *Project Rushmore* Harley-Davidson, **Melding the Pieces** Henrietta Glaus, 2020-05-26 From growing up in a home without indoor plumbing or electricity, running barefoot on the farm, to traveling and bicycling throughout the world, Henri Glaus has experienced a life filled with joy, sorrow, high adventure, and the pleasure of accomplishments, large and small. Expressed honestly with an element of humility, she recounts her story up to the cusp of her nonagenarian years. Understanding that life is a series of abstruse valleys and radiant peaks, Henri has embraced all the vicissitudes that a long life brings. Throughout everything she has had the undying support of an extended family so large that, as her sister said, a bramble bush rather than a family tree would be required to record it. Throughout her life, Henri was blessed with role models, beginning with her parents, her brother, and later four husbands: one a professor encouraged and supported her in attaining a Ph.D. This set Henri on a path that provided undreamed-of opportunities in her chosen field of education. There is an adage that states a life well lived is a life worth living. This is the story of that barefoot girl's journey: the life of Henri Glaus. **The Motorcycle Enthusiast in Action**, 1963-08 *American Motorcyclist*, 1989-08 *American Motorcyclist* magazine, the official journal of the American Motorcyclist Association, tells the stories of the people who make motorcycling the sport that it is.
