Meditations On The Divine Comedy Of Dante Alighieri:

Meditations on the Divine Comedy of Dante Alighieri A. Kline, 2014-11-10 In these meditations on Dante's Divine Comedy the author provides a companion volume to his translation of the great work itself guiding the reader step by step through the complexities of the *Commedia*. Aimed not just at the student but also at those who are impressed by its poetry and beauty simply wish to delve deeper into the meaning and structure of the work it brings together concepts, factual information and careful interpretation to highlight the ideas Dante pursued in creating his masterpiece. The powerful introduction encompasses the broad sweep of the work identifying key themes and placing Dante within his historical period while pointing out his relevance as poet and ethical philosopher to our own age. The subsequent sections move canto by canto through the *Inferno*, *Purgatorio* and *Paradiso* providing a clear explanation of the action and meaning of each canto so that the reader can pursue the story and structure of the *Commedia* without interruption or examine individual cantos or groups of cantos in depth. A concept index is also provided to allow pursuit of multiple occurrences of ideas and symbols throughout the work. The approach throughout is a modern secular one in that the *Meditations* focus on Dante's role as poet, individual and ethical thinker rather than on his religious or doctrinal significance to Christian readers. This neutral stance allows consideration of Dante's significance to the secular as well as the Christian world, stressing his continuing importance to both while allowing the wide spectrum of potential readers to bring their own ideas and beliefs to bear on Dante's great achievement. Day-To-Day Dante Dennis Patrick Slattery, 2011-01-31 Dante has it right we are on more than a journey we are on a pilgrimage. Author Dennis Patrick Slattery who has been teaching Dante's works for more than twenty years believes that our life stories are embedded in the journey of this pilgrim. In *Day to Day Dante* Slattery presents passages from Dante Alighieri's fourteenth century poem *The Divine Comedy* to assist you in searching for the core elements of your personal myth. *Day to Day Dante* is divided into 365 entries and reflections so you may explore and meditate on one page per day for a year. Each entry and reflection is followed by a writing meditation to help you arrive at your own insights about your personal travels and travails. This examination of Dante's pilgrimage will help you deepen the understanding of yourself and the larger political, social and religious worlds. Through *Day to Day Dante* you can connect more deeply with your own narrative following Dante's journey from out of a dark wood to a vision of the transcendent. **The divine comedy of Dante**
