## **Dating Mr. Mogul**

Ryle,2016-03-30 I'm having second thoughts about going with him about this relationship about him By some weird turn of fate Andy Peterson is now dating her former pet peeve the ever so arrogant but oh so handsome bachelor William Maxwell While every other girl would jump at the idea of having the richest man in the city as a boyfriend Andy would rather opt out if only she had a choice Needless to say she felt like kicking herself at first William Maxwell aka Mr Mogul is a changed man Now a happier kinder and less arrogant version of himself he's all the more determined to capture Andy's heart He is living proof that persistence goes a long way Getting Andy to agree on dates is no easy feat at least not if you threatened to fire her ass the first time you met Just when Andy starts falling for William's charms unwanted persons from their past resurface and paparazzi corners them left and right Can naive country girl Andy handle the public scrutiny Will William ever earn Andy's full trust Even better will this awkward relationship go into full bloom or will the circumstances nip that little romance in the bud This is the second book of the Mr Mogul Series Read the heartwarming continuation of Andy and William's love hate romance Get your copy now

*Meeting Mr. Brown* Julie Parks, 2025-10-10 What if reading a romance novel could help you get rich? Meeting Mr. Brown will change the way you look at millionaires forever. *Affair to Remember* reimaged as a modern romance novel with some very real wealth building tips. Bart Brown has grown up in the quiet house on Lake Geneva. When his father dies he makes a second's decision to accept a temporary job in the loudest place he can imagine: New York City. He loves women, he just doesn't believe in torturing them by marrying them. Women are for sex, men for friendships and business. Until he meets Celeste on his flight to New York, Celeste Brown is returning home to her husband of five years, trying to convince herself that a dead end relationship is better than nothing. As a result of a last name mix up she ends up sitting next to Mr. Brown who's coincidentally everything she wished her Mr. Brown was. They finish each other's sentences. Exclaim the same phrases at the same time. Love to do the same things, often losing track of time. And as of Monday they also share a wall separating their offices in the hedge fund that Mr. Brown is joining for the next six months. From now on every event might mistakenly include them as Mr. and Mrs. Brown. But what if Mrs. Brown starts enjoying it? And what if Mr. Brown ends up falling for his new Mrs. Brown? Sometimes love starts with a series of coincidences. This novel is pure fiction but the wealth building tips played out in its storyline are very real and based on over 150 nonfiction books that will let you in on the most valuable secrets millionaires use to supercharge their success.
