John Anthony Newton

John Newton From Disgrace To Amazing Grace Jonathan Aitken:

John Newton Jonathan Aitken, 2007 Discusses the life of John Newton **John Newton (Foreword by Philip Yancey)** Jonathan Aitken, 2007-06-07 Most Christians know John Newton as a man who once captained a slave ship was dramatically converted to Christ on the high seas and later penned one of the greatest hymns of the faith Amazing Grace But he also had a huge impact on his times as an icon of the evangelical movement as a great preacher and theologian and as a seminal influence on abolitionist William Wilberforce Newton's friendship with Wilberforce is portrayed in the major motion picture Amazing Grace Jonathan Aitken's new biography John Newton explores all these facets of Newton's life and character It is the first biography to draw on Newton's unpublished diaries and correspondence providing fresh insight into the life of this complex and memorable Christian The result is a fascinating colorful and historically significant portrait of John Newton a self-described great sinner redeemed by a great Savior through amazing grace **God's Amazing Grace: Reconciling**

Four Centuries of African American Marriages and Families Terry M. Turner, 2017-12-18 God's Amazing Grace Reconciling Four Centuries of African American Marriages and Families is an insightful study that will be welcomed by thoughtful practitioners and all who ponder the African American family's complexity Readers familiar with the deep rich reservoir of African American family literature will recognize many of the black scholars referenced in this work Readers unfamiliar with these sources will be grateful to discover them and the effective use of disparate literature This work will become a different kind of guide for studying American history through the lens of the African American family Underneath all the research is the search for answers to the compelling questions Is there a correlation between slave owners' denial to slaves God's design for the family and the familial chaos that has plagued African American families for more than a hundred fifty years And if there is connection what is it The author has brought something new to a familiar topic of discussion the Bible The unique moral compass that steered this study is solidly anchored in the bedrock of holy scripture In this work the history and sociology of African American marriages are examined in light of the questions asked by Holy Scripture In so doing Dr Turner skillfully attempts to help readers make sense of the story of black families in America May this book mark the beginning to a new reality for African American families Dr Willie Peterson senior executive advisor adjunct professor of Pastoral Ministries Dallas Theological Seminary [Recalibrate Your Life](#) Kenneth Boa, Jenny Abel, 2023-02-21 Times of transition especially in midlife or later life are ideal moments for recalibrating our priorities and habits Ken Boa and Jenny Abel give us the practical tools and eternal perspective needed to evaluate our God-given gifts skills wisdom resources and opportunities in order to live meaningfully now and into the future **Remotely Close** Dr. Daniel R. Day, 2024-04-03 After ten years of online education I had earned an MA and a Ph D Though incredibly grateful for this time of learning and growing there was still something amiss once it was all finished It wasn't easy to figure out why I felt this way but it finally came to me Ultimately I cannot point to one meaningful long-term friendship that was formed with either a peer or professor The

accessible convenient and affordable pathways of online educational delivery systems paved the way for me to achieve my learning goals and for that I am thankful Yet the feeling of being robbed of the human element and the benefit of gaining another s perspective remained Online education is here to stay No one is arguing that fact Even now new technological advancements continue to emerge offering innovative approaches to helping people to continue learning I celebrate this and encourage it but not at the expense of the human element This book puts forward research based findings that offer evidence that students professors and schools are far more likely to achieve their goals when solid friendships exist A solidly Christian and Biblical perspective undergirds and supports the results of this one and a half year doctoral research project that is the basis for this book Questions that are considered through these pages include 1 Why do relationships matter in online education 2 Who is responsible for creating relational connections in online education 3 Where and when can social opportunities happen in online education 4 Is there a Biblical precedent for learning in relational communities 5 Are there dangers to learning in isolation By using inspirational true stories Biblical examples and data gleaned from the research arguments are made that all in online education win if genuine friendships exist and we enjoy the support of a Christian community
